

HJR 22 -- INITIATIVE PETITIONS

SPONSOR: Eggleston

Upon voter approval, this proposed Constitutional amendment would require the sponsor(s) of initiative petitions proposing Constitutional amendments to collect signatures in every Congressional district and to submit any approved petition to the General Assembly for consideration in a manner similar to a bill. The signature of the Governor is not required.

If the General Assembly approves a petition without change, then the sponsor(s) may submit it to the Secretary of State to be placed on the ballot at the next general election. If the General Assembly amends or does not pass a petition, then the sponsor(s) may decide whether to place the amended version or the original unamended version on the ballot at the next general election. In cases where the General Assembly has approved a petition or when its amended version is submitted, a simple majority vote is required for passage. If a version not approved by the General Assembly is submitted, then a two-thirds majority vote is required. Time limits are specified in the amendment and sponsors will be able to submit petitions during either session of the General Assembly prior to the general election occurring every two years in November.

This resolution is the same as HCS HJR 97 (2020).
