As a retired Missouri State Trooper, DeKalb County Commissioner and private landowner, I am writing in opposition to this bill. The bill is an over reaction to a problem in another state. Remedies exist for any law enforcement activity that does not proceed according to current law. This bill would cripple law enforcement's ability to protect citizens, especially in the rural parts of the state. If the purpose of this bill is to prohibit electronic surveillance with out an investigative subpoena or warrant, then narrow the scope of the bill. This bill as written takes a sledge hammer to the open fields doctrine that has worked well for decades and will do more harm than good.
