Chairman Grier and members of the House Committee on Economic Development: On behalf of the Springfield Area Chamber of Commerce and our over 1500-member businesses, please accept this letter of support for House Bill 379. Creating a strong, pro-business climate is critical in competing for jobs and economic growth. The Chamber supports the use of economic development tools and their role in creating a pro-business climate to further develop our region and state. The establishment of the "Targeted Industrial Manufacturing Enhancement Zones Act" makes Missouri more competitive with other states as we work to attract jobs and investment. The passage of HB 379 would encourage further investment in our state and region, which ultimately leads to increased job opportunities for citizens, and we encourage your support. Sincerely, Matt Morrow President and CEO Springfield Area Chamber of Commerce 202 S John Q Hammons Parkway Springfield, MO 65806
