Missouri REALTORS supports the bill and wants to thank Rep. Basye for his reasonable and evenhanded approach to this issue. We believe the bill, as drafted, provides protection for both tenants and property owners and ensures that problems will be addressed without an unreasonable heavy hand from the government.

I am Opposed to this Special Legislation. This Legislation is targeting ONLY Boone County and certain Residents that the County Commissioners do not like. So now they are going after their Rental Homes. We already have ample State Laws that protect the General Public and First-Class Counties in these situations. I do NOT agree with this method and using State Legislation to target and harass certain residential areas and owners. Vote this Bill down!

I am Opposed to this Bill. It is Special-Interest Legislation for boone County. I heard Testimony last year and it is Government overreaching on the rights of property-Owners.
