Missouri NEA Testimony on HB 811 to the House Pension Committee February 17, 2021 Otto Fajen, MNEA Legislative Director The Association appreciates the opportunity to present written testimony regarding HB 811. The Association supports the bill as filed. HB 811 would increase the earnings limit for PSRS retirees working in PEERS covered employment from the current value of \$15,000 to the Social Security earnings limit. That earnings limit will be \$18,960 for 2021. The Association believes that retired educators can play a valuable role in filling needed school roles in support staff positions and supports the bill. On behalf of the Association, I thank you for the opportunity to offer our testimony on this bill. Otto Fajen MNEA Legislative Director
