I am in Opposition to this Bill. Why is a State Rep. from Kansas City mixing his nose in the business of Saint Louis County by attempting to take away "Local-Control" and this is Special Legislation that does not apply State-Wide.

HB 874 bypasses the residence and taxpayers of a community. Residents and taxpayers should determine what level of services and law enforcement protection as they are willing levy upon themselves. We believe it is legally problematic to force a city to cease allocating funds for a city service and requiring them to join together with other cities. Cities already have the statutory authority to cooperate and jointly provide services to their citizens.
