Securitization is a great concept needed by the PSC and utilities in order to help transition to modern ways of making, moving, and distributing power. This will be a cost-effective measure that benefits not only the utility but also customers as well.

**THE INFORMATION ON THIS FORM IS PUBLIC RECORD UNDER CHAPTER 610, RSMo.**

I am highly Opposed to this Bill and Bad Legislation. This Bill is written for the sole benefit of the Utility Companies and others avenue around the Promulgated Rules and Regulations of the Missouri Public Service Commission. This is taking away Protections and offers nothing for Consumer Utility Users. This Bill is to provide more profits and giveaways to Missouri Utility Companies, while increasing Utility Rates to Our Missouri Consumers. When are Elected Officials going to learn to Stand-Up for the Citizen and their Residents over "Big-Business," Lobbyists (who write the Legislation) and Special-Interest Groups, while selling your Citizens up the Missouri River. Shameful!
