We are asking for the legislature's help to fix a small issue in state statute. The EPA made an issue of this in 2019 however for many years the EPA approved DNR's tanks program with this language discrepancy. Please help the DNR and Petroleum Storage Tank Insurance Fund focus on cleanups and not wordsmithing with the EPA. Missouri has an excellent record of completing cleanups. Currently about 90% of all reported releases have been cleaned up to the standards set by the Missouri Department of Natural Resources. James Greer MFA Oil Company Chairman, Missouri Petroleum Storage Tank Insurance Fund President, Missouri Petroleum and Convenience Association

I am Highly Opposed to this Bill. This Bill is written solely for the benefit and the profits of Missouri Insurance Companies. There are no Wins for Missourians. This is Special-Interest Legislation!
