15 judgment;

16 (12) Constructs, supplies, reproduces or repairs any prosthetic denture, bridge, artificial  
17 restoration, appliance or other structure to be used or worn as a substitute for natural teeth, except  
18 when one, not a registered and licensed dentist, does so pursuant to a written uniform laboratory  
19 work order, in the form prescribed by the board, of a dentist registered and currently licensed in  
20 Missouri and which the substitute in this subdivision described is constructed upon or by use of  
21 casts or models made from an impression furnished by a dentist registered and currently licensed in  
22 Missouri;

23 (13) Attempts to or does place any substitute described in subdivision (12) of this section in  
24 a human mouth or attempts to or professes to adjust any substitute or delivers any substitute to any  
25 person other than the dentist upon whose order the work in producing the substitute was performed;

26 (14) Advertises, solicits, or offers to or does sell or deliver any substitute described in  
27 subdivision (12) of this section or offers to or does sell the person's services in constructing,  
28 reproducing, supplying or repairing the substitute to any person other than a registered and licensed  
29 dentist in Missouri;

30 (15) Undertakes to do or perform any physical evaluation of a patient in the person's office  
31 or in a hospital, clinic, or other medical or dental facility prior to or incident to the performance of  
32 any dental services, dental operations, or dental surgery;

33 (16) Reviews examination findings, x-rays, or other patient data to make judgments or  
34 decisions about the dental care rendered to a patient in this state;

35 (17) Prescribes and administers vaccines for diseases related to care within the practice of  
36 dentistry; or

37 (18) Prescribes and administers vaccines in accordance with section 332.368 when deployed  
38 under section 44.045 to provide care as necessitated by an emergency.

39 332.368. 1. A dentist may:

1       (1) Prescribe and administer vaccines to a person with whom the dentist has established a  
2 patient relationship; and

3       (2) Prescribe and administer vaccines to any person when the dentist is deployed under  
4 section 44.045 to provide care as necessitated by an emergency.

5       2. A dentist shall not be required to prescribe or administer vaccines.

6       3. Before prescribing or administering any vaccine under this section, a dentist shall  
7 complete a training course recognized by the board under subsection 4 of this section and obtain a  
8 certificate of successful completion from the agency or organization that offered the course. A  
9 dentist shall produce the certificate upon request of the board.

10       4. The board shall recognize for purposes of this section any training course that:

11       (1) Includes training on appropriate vaccine storage and proper vaccine administration;

12       (2) Addresses contraindications and adverse reactions to vaccines; and

13       (3) Is offered by the Centers for Disease Control and Prevention, the American Dental  
14 Association or its successor organization, or any other similar federal or state agency or professional  
15 organization deemed qualified by the board.

16       5. A dentist who administers a vaccine under this section shall inform the patient that the  
17 administration of the vaccine will be entered into the ShowMeVax system, as administered by the  
18 department of health and senior services. The patient shall attest to the inclusion of such  
19 information in the system by signing a form provided by the dentist. If the patient indicates that he  
20 or she does not want such information entered into the ShowMeVax system, the dentist shall provide  
21 a written report within fourteen days of administration of a vaccine to the patient's primary health  
22 care provider, if provided by the patient, containing:

23       (1) The identity of the patient;

24       (2) The identity of the vaccine or vaccines administered;

25       (3) The route of administration;

26       (4) The anatomic site of the administration;

27       (5) The dose administered; and

28       (6) The date of administration.

29       6. Prior to administering a vaccine under this section, a dentist shall review the patient's  
30 vaccination history in the ShowMeVax system.

31       7. A dentist shall not administer a vaccine under this section to a child under seven years of  
32 age or under the minimum age recommended by the Centers for Disease Control and Prevention.

33       8. A dentist who prescribes or administers a vaccine under this section shall comply with  
34 any applicable patient of care record-keeping requirements.

35       9. A dentist shall not delegate the administration of a vaccine under this section.

36       10. The board shall promulgate rules for the purpose of recognizing entities qualified to  
37 offer the training course required under this section. Any rule or portion of a rule, as that term is  
38 defined in section 536.010, that is created under the authority delegated in this section shall become  
39 effective only if it complies with and is subject to all of the provisions of chapter 536 and, if

1 applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the  
2 powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective  
3 date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of  
4 rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and  
5 void."; and
