Offered By _____

1 AMEND House Committee Substitute for Senate Substitute No. 2 for Senate Committee Substitute
2 for Senate Bill No. 745, Page 21, Section 144.030, Line 411, by inserting after all of said section
3 and line the following:
4

5 "247.200. 1. The district shall have the right to lay its mains in public highways, roads,
6 streets and alleys included in the district, but the same shall be done under reasonable rules and
7 regulations of governmental bodies having jurisdiction of such public places. This shall apply to
8 maintenance and repair jobs. In the construction of ditches, laying of mains, filling of ditches after
9 mains are laid, connection of service pipes and repairing of lines, due regard must be taken of the
10 rights of the public in its use of thoroughfares and the equal rights of other utilities thereto.

11 2. No district located in any county with more than two hundred thousand but fewer than
12 two hundred thirty thousand inhabitants shall require a secondary deposit from commercial property
13 owners. For the purposes of this subsection, a commercial property is a property that is zoned for
14 commercial use by the zoning authority that has jurisdiction over the property.

15 3. If a water meter has been removed from a property or if services to a property have been
16 discontinued in any county with more than two hundred thousand but fewer than two hundred thirty
17 thousand inhabitants, no future charges shall be made to the customer for service to that property.
18 Any charges made after service is discontinued or the water meter is removed shall be credited to
19 the customer and applied toward any future charges to such customer by the district.

20 247.285. 1. No metropolitan water supply district in any county with more than two
21 hundred thousand but fewer than two hundred thirty thousand inhabitants shall require a secondary
22 deposit from commercial property owners. For the purposes of this subsection, a commercial
23 property is a property that is zoned for commercial use by the zoning authority that has jurisdiction
24 over the property.

25 2. If a water meter has been removed from a property or if services to a property have been
26 discontinued in any county with more than two hundred thousand but fewer than two hundred thirty
27 thousand inhabitants, no future charges shall be made to the customer for service to that property.
28 Any charges made after service is discontinued or the water meter is removed shall be credited to
29 the customer and applied toward any future charges to such customer by the metropolitan water
30 supply district."; and
31

32 Further amend said bill by amending the title, enacting clause, and intersectional references
33 accordingly.
