

HOUSE AMENDMENT NO. _____
TO
HOUSE AMENDMENT NO. _____

Offered By

AMEND House Amendment No. _____ to House Committee Substitute for Senate Bill No. 820,
Page 3, Line 13, by deleting said line and inserting in lieu thereof the following:

"the governor prior to the expenditure.

153.034. 1. The term "distributable property" of an electric company shall include all the
real or tangible personal property which is used directly in the generation and distribution of electric
power, but not property used as a collateral facility nor property held for purposes other than
generation and distribution of electricity. Such distributable property includes, but is not limited to:

- (1) Boiler plant equipment, turbogenerator units and generators;
- (2) Station equipment;
- (3) Towers, fixtures, poles, conductors, conduit transformers, services and meters;
- (4) Substation equipment and fences;
- (5) Rights-of-way;
- (6) Reactor, reactor plant equipment, and cooling towers;
- (7) Communication equipment used for control of generation and distribution of power;
- (8) Land associated with such distributable property.

2. The term "local property" of an electric company shall include all real and tangible
personal property owned, used, leased or otherwise controlled by the electric company not used
directly in the generation and distribution of power and not defined in subsection 1 of this section as
distributable property. Such local property includes, but is not limited to:

- (1) Motor vehicles;
- (2) Construction work in progress;
- (3) Materials and supplies;
- (4) Office furniture, office equipment, and office fixtures;
- (5) Coal piles and nuclear fuel;
- (6) Land held for future use;
- (7) Workshops, warehouses, office buildings and generating plant structures;
- (8) Communication equipment not used for control of generation and distribution of power;
- (9) Roads, railroads, and bridges;

Action Taken _____ Date _____

1 (10) Reservoirs, dams, and waterways;

2 (11) Land associated with other locally assessed property and all generating plant land.

3 3. (1) Any real or tangible personal property associated with a project which uses wind
4 energy directly to generate electricity shall be valued and taxed by local authorities having
5 jurisdiction under the provisions of chapter 137 and any other relevant provisions of law. The
6 method of taxation prescribed in subsection 2 of section 153.030 and subsection 1 of this section
7 shall not apply to such property.

8 (2) The real or tangible personal property referenced in subdivision (1) of this subsection
9 shall include all equipment whose sole purpose is to support the integration of a wind generation
10 asset into an existing system. Examples of such property may include, but are not limited to, wind
11 chargers, windmills, wind turbines, wind towers, and associated electrical equipment such as
12 inverters, pad mount transformers, power lines, storage equipment directly associated with wind
13 generation assets, and substations.

14 4. For any real or tangible personal property associated with a generation project which was
15 originally constructed utilizing financing authorized under chapter 100 for construction, upon the
16 transfer of ownership of such property to a public utility, such property shall be valued and taxed by
17 local authorities having jurisdiction under the provisions of chapter 137 and any other relevant
18 provisions of law. The method of taxation prescribed in subsection 2 of section 153.030 and
19 subsection 1 of this section shall not apply to such property.

20 5. Notwithstanding the provisions of subsection 1 of this section to the contrary, the term
21 "distributable property" shall not include any towers, poles, conduit transformers, converter stations,
22 and substation equipment that carry high-voltage, direct current, electric transmission lines. Such
23 towers, poles, conduit transformers, converter stations, and substations shall be valued and taxed by
24 local authorities having jurisdiction under the provisions of chapter 137 and any other relevant
25 provisions of law. The method of taxation prescribed in subsection 2 of section 153.030 and
26 subsection 1 of this section shall not apply to such property."; and"; and

27
28 Further amend said bill by amending the title, enacting clause, and intersectional references
29 accordingly.
