447 to exceed five years, or may suspend, for a period not to
448 exceed three years, or revoke the license, certificate, or
449 permit. The board may impose additional discipline on a
450 licensee, registrant, or permittee found to have violated

451 any disciplinary terms previously imposed under this section
452 or by agreement. The additional discipline may include,
453 singly or in combination, censure, placing the licensee,
454 registrant, or permittee named in the complaint on
455 additional probation on such terms and conditions as the
456 board deems appropriate, which additional probation shall
457 not exceed five years, or suspension for a period not to
458 exceed three years, or revocation of the license,
459 certificate, or permit.

460 4. If the board concludes that a licensee or
461 registrant has committed an act or is engaging in a course
462 of conduct which would be grounds for disciplinary action
463 which constitutes a clear and present danger to the public
464 health and safety, the board may file a complaint before the
465 administrative hearing commission requesting an expedited
466 hearing and specifying the activities which give rise to the
467 danger and the nature of the proposed restriction or
468 suspension of the licensee's or registrant's license.
469 Within fifteen days after service of the complaint on the
470 licensee or registrant, the administrative hearing
471 commission shall conduct a preliminary hearing to determine
472 whether the alleged activities of the licensee or registrant
473 appear to constitute a clear and present danger to the
474 public health and safety which justify that the licensee's
475 or registrant's license or registration be immediately
476 restricted or suspended. The burden of proving that the
477 actions of a licensee or registrant constitute a clear and
478 present danger to the public health and safety shall be upon
479 the state board of pharmacy. The administrative hearing
480 commission shall issue its decision immediately after the
481 hearing and shall either grant to the board the authority to
482 suspend or restrict the license or dismiss the action.

483 5. If the administrative hearing commission grants
484 temporary authority to the board to restrict or suspend the
485 licensee's or registrant's license, such temporary authority
486 of the board shall become final authority if there is no
487 request by the licensee or registrant for a full hearing
488 within thirty days of the preliminary hearing. The
489 administrative hearing commission shall, if requested by the
490 licensee or registrant named in the complaint, set a date to
491 hold a full hearing under the provisions of chapter 621
492 regarding the activities alleged in the initial complaint
493 filed by the board.

494 6. If the administrative hearing commission dismisses
495 the action filed by the board pursuant to subsection 4 of
496 this section, such dismissal shall not bar the board from
497 initiating a subsequent action on the same grounds.

498 7. The board shall not deny, revoke, or suspend, or
499 otherwise take any disciplinary action against, a
500 certificate of registration or authority, permit, or license
501 required by this chapter for any person due to the lawful
502 dispensing, distributing, or selling of ivermectin tablets
503 or hydroxychloroquine sulfate tablets for human use in
504 accordance with prescriber directions. No person licensed
505 under this chapter who dispenses, distributes, or sells
506 ivermectin tablets or hydroxychloroquine sulfate tablets for
507 human use shall ask the patient or prescriber, or otherwise
508 require of the patient or prescriber, the reason or purpose
509 for which the medications shall be used, except in
510 circumstances in which it is necessary for purposes of the
511 patient's health insurance or to clarify dosage for the
512 health and safety of the patient."; and

513 Further amend the title and enacting clause accordingly.
