

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SECOND DAY, THURSDAY, JANUARY 6, 2022

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Representative Doug Richey.

Our Heavenly Creator, we express our gratitude to You, the God of all glory and power, for placing upon our shoulders the mantle of responsibility as members of Missouri's House of Representatives. May we live up to this responsibility by pursuing that which Philippians 4:8 describes as true, honorable, right, pure, beautiful, commendable, excellent, and worthy of praise.

May Missouri's citizens see in each of us a determination in this pursuit. Please forgive us where we fail. Please strengthen us where we are weak. Please embolden us where we are timid. We ask as well that You provide wisdom and strength to the leadership of this chamber. Theirs is a lonely and weighty task. Be with them and their families in Your grace. In Jesus' name I pray.

And the House says, "Amen."

The Pledge of Allegiance to the flag was recited.

The Journal of the first day was approved as corrected by the following vote:

HOUSE RESOLUTION NO. 3286

WHEREAS, under Article III, Section 45 of the Constitution of Missouri, when the number of representatives to which the state is entitled in the House of the Congress of the United States under the census is certified to the governor, the general assembly shall by law divide the state into districts corresponding with the number of representatives to which it is entitled, which districts shall be composed of contiguous territory as compact and as nearly equal in population as may be; and

WHEREAS, due to the unique nature of Congressional apportionment bills, which divide the state into Congressional districts, it is necessary to adopt temporary rules for the consideration of such bills:

NOW THEREFORE BE IT RESOLVED that the Missouri House of Representatives, One Hundred First General Assembly, Second Regular Session, adopt certain temporary rules for the purpose of considering Congressional apportionment bills; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49 or any other rule to the contrary, neither substitute amendments nor amendments to amendments shall be in order for any Congressional apportionment bill other than for technical corrections; and

BE IT FURTHER RESOLVED that a four-hour time limitation be designated on the total time of floor debate allowed for the purpose of considering any Congressional apportionment bill for perfection. Such time shall be divided equally between, and controlled by, the chair of the special committee on redistricting and the ranking minority member of such committee, or their respective designees. The chair of the special committee on redistricting shall have the right to have the final one minute of designated time. If time has been allocated and

unused by either side after any Congressional apportionment bill has been discussed and no member from that side is seeking recognition to further discuss such bill, the Speaker may declare additional time waived and recognize the members of the other side to complete the use of their time. Nothing in this rule shall entitle any member to speak longer than the House Rules otherwise allow; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 99, props or visual aids that depict Congressional apportionment maps shall be permitted on the floor of the House while the House is in session and considering any Congressional apportionment bill. All such props or visual aids and the location of their display shall require approval by the Speaker; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49(2) or any other rule to the contrary, an amendment identical to one previously decided on a Congressional apportionment bill shall be in order; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49(4) or any other rule to the contrary, an amendment that effectually replaces the underlying Congressional apportionment bill or committee substitute shall be in order; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49(1)(b), any amendments to a Congressional apportionment bill shall be distributed prior to Monday, January 17, 2022, at 2 p.m.; and

BE IT FURTHER RESOLVED that any amendments to a Congressional apportionment bill shall comply with all legal requirements for apportionment and a point of order may be raised that an amendment offered would result in an unlawful apportionment; and

BE IT FURTHER RESOLVED that all other Rules of the Missouri House of Representatives, One Hundred First General Assembly, shall apply to the consideration of Congressional apportionment bills as such rules are appropriate and not in conflict with the rules adopted herein.
