The Municipal League of Metro St. Louis would like to go on record in support of SB 743. Allowing municipalities the flexibility to designate the proposed uses of sales taxes would help to ensure adequate funding for vital services, such as police and fire. It would eliminate individual municipalities coming the legislature every year asking to be added to the list of cities authorized to ask the voters for a public safety sales tax.

The City of St. Peters opposes the provision in SB743 which phases out personal property taxes in St. Charles County. This will have a detrimental impact on many services provided by the City and a negative fiscal impact of approximately \$1.2 million. Offsetting the cut with increases in real property assessment will not allow our budget to keep up with inflationary increases in costs to the City.
