

House _____ Amendment NO. _____

Offered By _____

1 AMEND House Committee Substitute for Senate Bill No. 186, Page 5, Section 211.031, Line 93, by
2 inserting after all of said section and line the following:
3

4 "301.227. 1. Whenever a vehicle is sold for salvage, dismantling or rebuilding, the
5 purchaser shall forward to the director of revenue within ten days the certificate of ownership or
6 salvage certificate of title and the proper application and fee of eight dollars and fifty cents, and the
7 director shall issue a negotiable salvage certificate of title to the purchaser of the salvaged vehicle.
8 On vehicles purchased during a year that is no more than six years after the manufacturer's model
9 year designation for such vehicle, it shall be mandatory that the purchaser apply for a salvage title.
10 On vehicles purchased during a year that is more than six years after the manufacturer's model year
11 designation for such vehicle, then application for a salvage title shall be optional on the part of the
12 purchaser. Whenever a vehicle is sold for destruction and a salvage certificate of title, junking
13 certificate, or certificate of ownership exists, the seller, if licensed under sections 301.217 to
14 301.221, shall forward the certificate to the director of revenue within ten days, with the notation of
15 the date sold for destruction and the name of the purchaser clearly shown on the face of the
16 certificate.

17 2. Whenever a vehicle is classified as junk, as defined in section 301.010, the purchaser may
18 forward to the director of revenue a properly completed application for a junking certificate as well
19 as the salvage certificate of title or certificate of ownership and the director shall issue a negotiable
20 junking certificate to the purchaser of the vehicle. The director may also issue a junking certificate
21 to a possessor of a vehicle manufactured twenty-six years or more prior to the current model year
22 who has a bill of sale for said vehicle but does not possess a certificate of ownership, provided no
23 claim of theft has been made on the vehicle and the highway patrol has by letter stated the vehicle is
24 not listed as stolen after checking the registration number through its nationwide computer system.
25 Such junking certificate may be granted within thirty days of the submission of a request. A junking
26 certificate shall authorize the holder to possess, transport, or, by assignment, transfer ownership in
27 such parts, scrap, or junk.

28 3. For any vehicle issued a junking certificate or such similar document or classification
29 pursuant to the laws of another state, regardless of whether such designation has been subsequently
30 changed by law in any other state, the department shall only issue a junking certificate, and a

Action Taken _____ Date _____

1 salvage certificate of title or original certificate of ownership shall not thereafter be issued for such
2 vehicle. Notwithstanding the provisions of this subsection, if the vehicle has not previously been
3 classified as a junk vehicle, the applicant making the original junking certification application shall,
4 within ninety days, be allowed to rescind his application for a junking certificate by surrendering the
5 junking certificate and apply for a salvage certificate of title in his name. The seller of a vehicle for
6 which a junking certificate has been applied for or issued shall disclose such fact in writing to any
7 prospective buyers before sale of such vehicle; otherwise the sale shall be voidable at the option of
8 the buyer.

9 4. No scrap metal operator shall acquire or purchase a motor vehicle or parts thereof
10 without, at the time of such acquisition, receiving the original certificate of ownership or salvage
11 certificate of title or junking certificate from the seller of the vehicle or parts, unless the seller is a
12 licensee under sections 301.219 to 301.221.

13 5. All titles and certificates required to be received by scrap metal operators from
14 nonlicensees shall be forwarded by the operator to the director of revenue within ten days of the
15 receipt of the vehicle or parts.

16 6. The scrap metal operator shall keep a record, for three years, of the seller's name and
17 address, the salvage business license number of the licensee, date of purchase, and any vehicle or
18 parts identification numbers open for inspection as provided in section 301.225.

19 7. Notwithstanding any other provision of this section, a motor vehicle dealer as defined in
20 section 301.550 and licensed under the provisions of sections 301.550 to 301.572 may negotiate one
21 reassignment of a salvage certificate of title on the back thereof.

22 8. Notwithstanding the provisions of subsection 1 of this section, an insurance company
23 which settles a claim for a stolen vehicle may apply for and shall be issued a negotiable salvage
24 certificate of title without the payment of any fee upon proper application within thirty days after
25 settlement of the claim for such stolen vehicle. However, if the insurance company upon recovery
26 of a stolen vehicle determines that the stolen vehicle has not sustained damage to the extent that the
27 vehicle would have otherwise been declared a salvage vehicle pursuant to section 301.010, then the
28 insurance company may have the vehicle inspected by the Missouri state highway patrol, or other
29 law enforcement agency authorized by the director of revenue, in accordance with the inspection
30 provisions of subsection 9 of section 301.190. Upon receipt of title application, applicable fee, the
31 completed inspection, and the return of any previously issued negotiable salvage certificate, the
32 director shall issue an original title with no salvage or prior salvage designation. Upon the issuance
33 of an original title the director shall remove any indication of the negotiable salvage title previously
34 issued to the insurance company from the department's electronic records.

35 9. Notwithstanding subsection 4 of this section or any other provision of the law to the
36 contrary, if a motor vehicle is inoperable and is at least ~~ten~~ twenty model years old, or the parts are
37 from a motor vehicle that is inoperable and is at least ~~ten~~ twenty model years old, a scrap metal
38 operator may purchase or acquire such motor vehicle or parts without receiving the original
39 certificate of ownership, salvage certificate of title, or junking certificate from the seller of the

1 vehicle or parts, provided the scrap metal operator verifies with the department of revenue, via the
2 department's online record access, that the motor vehicle is not subject to any recorded security
3 interest or lien and the scrap metal operator complies with the requirements of this subsection. In
4 lieu of forwarding certificates of title or ownership for such motor vehicles as required by
5 subsection 5 of this section, the scrap metal operator shall forward a copy of the seller's state
6 identification card along with a bill of sale to the department of revenue. The bill of sale form shall
7 be designed by the director and such form shall include, but not be limited to, a certification that the
8 motor vehicle is at least ~~ten~~ twenty model years old, is inoperable, is not subject to any recorded
9 security interest or lien, and a certification by the seller that the seller has the legal authority to sell
10 or otherwise transfer the seller's interest in the motor vehicle or parts. Upon receipt of the
11 information required by this subsection, the department of revenue shall cancel any certificate of
12 title or ownership and registration for the motor vehicle. If the motor vehicle is inoperable and at
13 least twenty model years old, then the scrap metal operator shall not be required to verify with the
14 department of revenue whether the motor vehicle is subject to any recorded security interests or
15 liens. As used in this subsection, the term "inoperable" means a motor vehicle that is in a rusted,
16 wrecked, discarded, worn out, extensively damaged, dismantled, and mechanically inoperative
17 condition and the vehicle's highest and best use is for scrap purposes. The director of the
18 department of revenue is directed to promulgate rules and regulations to implement and administer
19 the provisions of this section, including but not limited to, the development of a uniform bill of sale.
20 Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the
21 authority delegated in this section shall become effective only if it complies with and is subject to all
22 of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536
23 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536
24 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held
25 unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after
26 August 28, 2012, shall be invalid and void."; and
27
28 Further amend said bill by amending the title, enacting clause, and intersectional references
29 accordingly.
