

**HOUSE AMENDMENT NO. \_\_\_\_\_**  
**TO**  
**HOUSE AMENDMENT NO. \_\_\_\_\_**

**Offered By**

AMEND House Amendment No. \_\_\_\_\_ to House Committee Substitute for Senate Bill No. 186,  
Page 3, Line 2, by inserting after said line the following:

"Further amend said bill, Page 6, Section 301.3175, Line 32, by inserting after said section and line  
the following:

"302.304. 1. The director shall notify by ordinary mail any operator of the point value  
charged against the operator's record when the record shows four or more points have been  
accumulated in a twelve-month period.

2. In an action to suspend or revoke a license or driving privilege under this section points  
shall be accumulated on the date of conviction. No case file of any conviction for a driving  
violation for which points may be assessed pursuant to section 302.302 may be closed until such  
time as a copy of the record of such conviction is forwarded to the department of revenue.

3. The director shall suspend the license and driving privileges of any person whose driving  
record shows the driver has accumulated eight points in eighteen months.

4. The license and driving privilege of any person whose license and driving privilege have  
been suspended under the provisions of sections 302.010 to 302.540 except those persons whose  
license and driving privilege have been suspended under the provisions of subdivision (8) of  
subsection 1 of section 302.302 or has accumulated sufficient points together with a conviction  
under subdivision (10) of subsection 1 of section 302.302 and who has filed proof of financial  
responsibility with the department of revenue, in accordance with chapter 303, and is otherwise  
eligible, shall be reinstated as follows:

- (1) In the case of an initial suspension, thirty days after the effective date of the suspension;
- (2) In the case of a second suspension, sixty days after the effective date of the suspension;
- (3) In the case of the third and subsequent suspensions, ninety days after the effective date  
of the suspension.

Action Taken \_\_\_\_\_ Date \_\_\_\_\_

1  
2 Unless proof of financial responsibility is filed with the department of revenue, a suspension shall  
3 continue in effect for two years from its effective date.

4         5. The period of suspension of the driver's license and driving privilege of any person under  
5 the provisions of subdivision (8) of subsection 1 of section 302.302 or who has accumulated  
6 sufficient points together with a conviction under subdivision (10) of subsection 1 of section  
7 302.302 shall be thirty days, followed by a sixty-day period of restricted driving privilege as defined  
8 in section 302.010. Upon completion of such period of restricted driving privilege, upon  
9 compliance with other requirements of law and upon filing of proof of financial responsibility with  
10 the department of revenue, in accordance with chapter 303, the license and driving privilege shall be  
11 reinstated. If a person, otherwise subject to the provisions of this subsection, files proof of  
12 installation with the department of revenue that any vehicle operated by such person is equipped  
13 with a functioning, certified ignition interlock device, there shall be no period of suspension.  
14 However, in lieu of a suspension the person shall instead complete a ninety-day period of restricted  
15 driving privilege. If the person fails to maintain such proof of the device with the director of  
16 revenue as required, the restricted driving privilege shall be terminated. Upon completion of such  
17 ninety-day period of restricted driving privilege, upon compliance with other requirements of law,  
18 and upon filing of proof of financial responsibility with the department of revenue, in accordance  
19 with chapter 303, the license and driving privilege shall be reinstated. However, if the monthly  
20 monitoring reports during such ninety-day period indicate that the ignition interlock device has  
21 registered a confirmed blood alcohol concentration level above the alcohol setpoint established by  
22 the department of transportation or such reports indicate that the ignition interlock device has been  
23 tampered with or circumvented, then the license and driving privilege of such person shall not be  
24 reinstated until the person completes an additional thirty-day period of restricted driving privilege.

25         6. If the person fails to maintain proof of financial responsibility in accordance with chapter  
26 303, or, if applicable, if the person fails to maintain proof that any vehicle operated is equipped with  
27 a functioning, certified ignition interlock device installed pursuant to subsection 5 of this section,  
28 the person's driving privilege and license shall be resuspended.

29         7. The director shall revoke the license and driving privilege of any person when the  
30 person's driving record shows such person has accumulated twelve points in twelve months or  
31 eighteen points in twenty-four months or twenty-four points in thirty-six months. The revocation  
32 period of any person whose license and driving privilege have been revoked under the provisions of  
33 sections 302.010 to 302.540 and who has filed proof of financial responsibility with the department  
34 of revenue in accordance with chapter 303 and is otherwise eligible, shall be terminated by a notice  
35 from the director of revenue after one year from the effective date of the revocation. Unless proof  
36 of financial responsibility is filed with the department of revenue, except as provided in subsection 2  
37 of section 302.541, the revocation shall remain in effect for a period of two years from its effective  
38 date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303,  
39 the person's license and driving privilege shall be rerevoked. Any person whose license and driving

1 privilege have been revoked under the provisions of sections 302.010 to 302.540 shall, upon receipt  
2 of the notice of termination of the revocation from the director, pass the complete driver  
3 examination and apply for a new license before again operating a motor vehicle upon the highways  
4 of this state.

5 8. If, prior to conviction for an offense that would require suspension or revocation of a  
6 person's license under the provisions of this section, the person's total points accumulated are  
7 reduced, pursuant to the provisions of section 302.306, below the number of points required for  
8 suspension or revocation pursuant to the provisions of this section, then the person's license shall not  
9 be suspended or revoked until the necessary points are again obtained and accumulated.

10 9. If any person shall neglect or refuse to surrender the person's license, as provided herein,  
11 the director shall direct the state highway patrol or any peace or police officer to secure possession  
12 thereof and return it to the director.

13 10. Upon the issuance of a reinstatement or termination notice after a suspension or  
14 revocation of any person's license and driving privilege under the provisions of sections 302.010 to  
15 302.540, the accumulated point value shall be reduced to four points, except that the points of any  
16 person serving as a member of the Armed Forces of the United States outside the limits of the  
17 United States during a period of suspension or revocation shall be reduced to zero upon the date of  
18 the reinstatement or termination of notice. It shall be the responsibility of such member of the  
19 Armed Forces to submit copies of official orders to the director of revenue to substantiate such  
20 overseas service. Any other provision of sections 302.010 to 302.540 to the contrary  
21 notwithstanding, the effective date of the four points remaining on the record upon reinstatement or  
22 termination shall be the date of the reinstatement or termination notice.

23 11. No credit toward reduction of points shall be given during periods of suspension or  
24 revocation or any period of driving under a limited driving privilege granted by a court or the  
25 director of revenue.

26 12. Any person or nonresident whose license or privilege to operate a motor vehicle in this  
27 state has been suspended or revoked under this or any other law shall, before having the license or  
28 privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty  
29 dollars which shall be in addition to all other fees provided by law.

30 13. Notwithstanding any other provision of law to the contrary, if after two years from the  
31 effective date of any suspension or revocation issued under this chapter, except any suspension or  
32 revocation issued under section 302.410, 302.462, or 302.574, the person or nonresident has not  
33 paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to  
34 operate a motor vehicle in this state. Any person who has had his or her license suspended or  
35 revoked under section 302.410, 302.462, or 302.574, shall be required to pay the reinstatement fee.

36 14. No person who has had a license to operate a motor vehicle suspended or revoked as a  
37 result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of  
38 section 302.302 shall have that license reinstated until such person has participated in and  
39 successfully completed a substance abuse traffic offender program defined in section 302.010, or a

1 program determined to be comparable by the department of mental health. Assignment  
2 recommendations, based upon the needs assessment as described in subdivision (24) of section  
3 302.010, shall be delivered in writing to the person with written notice that the person is entitled to  
4 have such assignment recommendations reviewed by the court if the person objects to the  
5 recommendations. The person may file a motion in the associate division of the circuit court of the  
6 county in which such assignment was given, on a printed form provided by the state courts  
7 administrator, to have the court hear and determine such motion pursuant to the provisions of  
8 chapter 517. The motion shall name the person or entity making the needs assessment as the  
9 respondent and a copy of the motion shall be served upon the respondent in any manner allowed by  
10 law. Upon hearing the motion, the court may modify or waive any assignment recommendation that  
11 the court determines to be unwarranted based upon a review of the needs assessment, the person's  
12 driving record, the circumstances surrounding the offense, and the likelihood of the person  
13 committing a like offense in the future, except that the court may modify but may not waive the  
14 assignment to an education or rehabilitation program of a person determined to be a prior or  
15 persistent offender as defined in section 577.001 or of a person determined to have operated a motor  
16 vehicle with fifteen-hundredths of one percent or more by weight in such person's blood.  
17 Compliance with the court determination of the motion shall satisfy the provisions of this section for  
18 the purpose of reinstating such person's license to operate a motor vehicle. The respondent's  
19 personal appearance at any hearing conducted pursuant to this subsection shall not be necessary  
20 unless directed by the court.

21 15. The fees for the program authorized in subsection 14 of this section, or a portion thereof  
22 to be determined by the department of mental health, shall be paid by the person enrolled in the  
23 program. Any person who is enrolled in the program shall pay, in addition to any fee charged for  
24 the program, a supplemental fee in an amount to be determined by the department of mental health  
25 for the purposes of funding the substance abuse traffic offender program defined in section 302.010  
26 or a program determined to be comparable by the department of mental health. The administrator of  
27 the program shall remit to the division of alcohol and drug abuse of the department of mental health  
28 on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the  
29 program, less two percent for administrative costs. Interest shall be charged on any unpaid balance  
30 of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall  
31 accrue at a rate not to exceed the annual rate established pursuant to the provisions of section  
32 32.065, plus three percentage points. The supplemental fees and any interest received by the  
33 department of mental health pursuant to this section shall be deposited in the mental health earnings  
34 fund which is created in section 630.053.

35 16. Any administrator who fails to remit to the division of alcohol and drug abuse of the  
36 department of mental health the supplemental fees and interest for all persons enrolled in the  
37 program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued  
38 on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest,  
39 and penalties are not remitted to the division of alcohol and drug abuse of the department of mental

1 health within six months of the due date, the attorney general of the state of Missouri shall initiate  
2 appropriate action of the collection of said fees and interest accrued. The court shall assess attorney  
3 fees and court costs against any delinquent program.

4 17. Any person who has had a license to operate a motor vehicle suspended or revoked as a  
5 result of:

6 (1) An assessment of points for a conviction for an intoxication-related traffic offense, as  
7 defined under section 577.001, in which the person's blood alcohol content was found to be at least  
8 eight-hundredths of one percent but less than fifteen-hundredths of one percent by weight of alcohol  
9 in such person's blood and who has a prior alcohol-related enforcement contact as defined under  
10 section 302.525[~~7~~]; or

11 (2) An assessment of points for a conviction for an intoxication-related traffic offense, as  
12 defined under section 577.001, in which the person's blood alcohol content was found to be fifteen-  
13 hundredths of one percent or more by weight of alcohol in such person's blood;  
14

15 shall be required to file proof with the director of revenue that any motor vehicle operated by the  
16 person is equipped with a functioning, certified ignition interlock device as a required condition of  
17 reinstatement of the license. The ignition interlock device shall further be required to be maintained  
18 on all motor vehicles operated by the person for a period of not less than six months immediately  
19 following the date of reinstatement. If the monthly monitoring reports show that the ignition  
20 interlock device has registered any confirmed blood alcohol concentration readings above the  
21 alcohol setpoint established by the department of transportation or that the person has tampered with  
22 or circumvented the ignition interlock device within the last three months of the six-month period of  
23 required installation of the ignition interlock device, then the period for which the person must  
24 maintain the ignition interlock device following the date of reinstatement shall be extended until the  
25 person has completed three consecutive months with no violations as described in this section. If  
26 the person fails to maintain such proof with the director, the license shall be resuspended or revoked  
27 and the person shall be guilty of a class A misdemeanor.

28 302.440. In addition to any other provisions of law, a court may require that any person who  
29 is found guilty of a first intoxication-related traffic offense, as defined in section 577.001, and a  
30 court shall require that any person who is found guilty of a second or subsequent intoxication-  
31 related traffic offense, as defined in section 577.001, or any person who is found guilty of an  
32 intoxication-related traffic offense, as defined under section 577.001, in which the person's blood  
33 alcohol content was found to be fifteen-hundredths of one percent or more by weight of alcohol in  
34 such person's blood shall not operate any motor vehicle unless that vehicle is equipped with a  
35 functioning, certified ignition interlock device that the person must use for a period of not less than  
36 six months from the date of reinstatement of the person's driver's license. In addition, any court  
37 authorized to grant a limited driving privilege under section 302.309 to any person who is found  
38 guilty of a second or subsequent intoxication-related traffic offense or to any person who is found  
39 guilty of an intoxication-related traffic offense, as defined under section 577.001, in which the

1 person's blood alcohol content was found to be fifteen-hundredths of one percent or more by weight  
2 of alcohol in such person's blood shall require the use of an ignition interlock device on all vehicles  
3 operated by the person as a required condition of the limited driving privilege, except as provided in  
4 section 302.441. These requirements shall be in addition to any other provisions of this chapter or  
5 chapter 577 requiring installation and maintenance of an ignition interlock device. Any person  
6 required to use an ignition interlock device shall comply with such requirement subject to the  
7 penalties provided by section 577.599.

8 302.525. 1. The license suspension or revocation shall become effective fifteen days after  
9 the subject person has received the notice of suspension or revocation as provided in section  
10 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in  
11 section 302.515. If a request for a hearing is received by or postmarked to the department within  
12 that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final  
13 order is issued following the hearing; provided, that any delay in the hearing which is caused or  
14 requested by the subject person or counsel representing that person without good cause shown shall  
15 not result in a stay of the suspension or revocation during the period of delay.

16 2. The period of license suspension or revocation under this section shall be as follows:

17 (1) If the person's driving record shows no prior alcohol-related enforcement contacts during  
18 the immediately preceding five years, the period of suspension shall be thirty days after the effective  
19 date of suspension, followed by a sixty-day period of restricted driving privilege as defined in  
20 section 302.010 and issued by the director of revenue. The restricted driving privilege shall not be  
21 issued until he or she has filed proof of financial responsibility with the department of revenue, in  
22 accordance with chapter 303, and is otherwise eligible. The restricted driving privilege shall  
23 indicate ~~[whether]~~ that a functioning, certified ignition interlock device is required as a condition of  
24 operating a motor vehicle. A copy of the restricted driving privilege shall be given to the person and  
25 such person shall carry a copy of the restricted driving privilege while operating a motor vehicle. In  
26 no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until  
27 the person has completed the first thirty days of a suspension under this section. If a person  
28 otherwise subject to the provisions of this subdivision files proof of installation with the department  
29 of revenue that any vehicle that he or she operates is equipped with a functioning, certified ignition  
30 interlock device, there shall be no period of suspension. However, in lieu of a suspension the person  
31 shall instead complete a ninety-day period of restricted driving privilege. Upon completion of such  
32 ninety-day period of restricted driving privilege, compliance with other requirements of law, and  
33 filing of proof of financial responsibility with the department of revenue, in accordance with chapter  
34 303, the license and driving privilege shall be reinstated. However, if the monthly monitoring  
35 reports during such ninety-day period indicate that the ignition interlock device has registered a  
36 confirmed blood alcohol concentration level above the alcohol setpoint established by the  
37 department of transportation or such reports indicate that the ignition interlock device has been  
38 tampered with or circumvented, then the license and driving privilege of such person shall not be  
39 reinstated until the person completes an additional thirty-day period of restricted driving privilege.

1 If the person fails to maintain such proof of the device with the director of revenue as required, the  
2 restricted driving privilege shall be terminated;

3 (2) The period of revocation shall be one year if the person's driving record shows one or  
4 more prior alcohol-related enforcement contacts during the immediately preceding five years;

5 (3) In no case shall restricted driving privileges be issued under this section to any person  
6 whose driving record shows one or more prior alcohol-related enforcement contacts or to any person  
7 whose driving record shows an intoxication-related traffic offense, as defined under section 577.001,  
8 in which the person's blood alcohol content was found to be fifteen-hundredths of one percent or  
9 more by weight of alcohol in such person's blood until the person has filed proof with the  
10 department of revenue that any motor vehicle operated by the person is equipped with a functioning,  
11 certified ignition interlock device as a required condition of the restricted driving privilege. If the  
12 person fails to maintain such proof the restricted driving privilege shall be terminated.

13 3. For purposes of this section, "alcohol-related enforcement contacts" shall include any  
14 suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in  
15 this or any other state for a refusal to submit to chemical testing under an implied consent law, and  
16 any conviction in this or any other state for a violation which involves driving while intoxicated,  
17 driving while under the influence of drugs or alcohol, or driving a vehicle while having an unlawful  
18 alcohol concentration.

19 4. Where a license is suspended or revoked under this section and the person is also  
20 convicted on charges arising out of the same occurrence for a violation of section 577.010 or  
21 577.012 or for a violation of any county or municipal ordinance prohibiting driving while  
22 intoxicated or alcohol-related traffic offense, both the suspension or revocation under this section  
23 and any other suspension or revocation arising from such convictions shall be imposed, but the  
24 period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any  
25 other suspension or revocation arising from such convictions, and the total period of suspension or  
26 revocation shall not exceed the longer of the two suspension or revocation periods.

27 5. Any person who has had a license to operate a motor vehicle revoked under this section  
28 or suspended under this section with one or more prior alcohol-related enforcement contacts or an  
29 intoxication-related traffic offense, as defined under section 577.001, in which the person's blood  
30 alcohol content was found to be fifteen-hundredths of one percent or more by weight of alcohol in  
31 such person's blood showing on their driver record shall be required to file proof with the director of  
32 revenue that any motor vehicle operated by that person is equipped with a functioning, certified  
33 ignition interlock device as a required condition of reinstatement. The ignition interlock device  
34 shall further be required to be maintained on all motor vehicles operated by the person for a period  
35 of not less than six months immediately following the date of reinstatement. If the monthly  
36 monitoring reports show that the ignition interlock device has registered any confirmed blood  
37 alcohol concentration readings above the alcohol setpoint established by the department of  
38 transportation or that the person has tampered with or circumvented the ignition interlock device  
39 within the last three months of the six-month period of required installation of the ignition interlock

1 device, then the period for which the person must maintain the ignition interlock device following  
2 the date of reinstatement shall be extended until the person has completed three consecutive months  
3 with no violations as described in this section. If the person fails to maintain such proof with the  
4 director, the license shall be suspended or revoked, until proof as required by this section is filed  
5 with the director, and the person shall be guilty of a class A misdemeanor.

6 302.574. 1. If a person who was operating a vehicle refuses upon the request of the officer  
7 to submit to any chemical test under section 577.041, the officer shall, on behalf of the director of  
8 revenue, serve the notice of license revocation personally upon the person and shall take possession  
9 of any license to operate a vehicle issued by this state which is held by that person. The officer shall  
10 issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and  
11 shall also give the person notice of his or her right to file a petition for review to contest the license  
12 revocation.

13 2. Such officer shall make a certified report under penalties of perjury for making a false  
14 statement to a public official. The report shall be forwarded to the director of revenue and shall  
15 include the following:

16 (1) That the officer has:

17 (a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while  
18 in an intoxicated condition; or

19 (b) Reasonable grounds to believe that the person stopped, being under the age of twenty-  
20 one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one  
21 percent or more by weight; or

22 (c) Reasonable grounds to believe that the person stopped, being under the age of twenty-  
23 one years, was committing a violation of the traffic laws of the state, or political subdivision of the  
24 state, and such officer has reasonable grounds to believe, after making such stop, that the person had  
25 a blood alcohol content of two-hundredths of one percent or greater;

26 (2) That the person refused to submit to a chemical test;

27 (3) Whether the officer secured the license to operate a motor vehicle of the person;

28 (4) Whether the officer issued a fifteen-day temporary permit;

29 (5) Copies of the notice of revocation, the fifteen-day temporary permit, and the notice of  
30 the right to file a petition for review. The notices and permit may be combined in one document;  
31 and

32 (6) Any license, which the officer has taken into possession, to operate a motor vehicle.

33 3. Upon receipt of the officer's report, the director shall revoke the license of the person  
34 refusing to take the test for a period of one year; or if the person is a nonresident, such person's  
35 operating permit or privilege shall be revoked for one year; or if the person is a resident without a  
36 license or permit to operate a motor vehicle in this state, an order shall be issued denying the person  
37 the issuance of a license or permit for a period of one year.

38 4. If a person's license has been revoked because of the person's refusal to submit to a  
39 chemical test, such person may petition for a hearing before a circuit division or associate division

1 of the court in the county in which the arrest or stop occurred. Pursuant to local court rule  
2 promulgated pursuant to Section 15 of Article V of the Missouri Constitution, the case may also be  
3 assigned to a traffic judge pursuant to section 479.500. The person may request such court to issue  
4 an order staying the revocation until such time as the petition for review can be heard. If the court,  
5 in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of  
6 revenue and shall send a copy of such order to the director. Such order shall serve as proof of the  
7 privilege to operate a motor vehicle in this state and the director shall maintain possession of the  
8 person's license to operate a motor vehicle until termination of any revocation under this section.  
9 Upon the person's request, the clerk of the court shall notify the prosecuting attorney of the county  
10 and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing,  
11 the court shall determine only:

12 (1) Whether the person was arrested or stopped;

13 (2) Whether the officer had:

14 (a) Reasonable grounds to believe that the person was driving a motor vehicle while in an  
15 intoxicated or drugged condition; or

16 (b) Reasonable grounds to believe that the person stopped, being under the age of twenty-  
17 one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one  
18 percent or more by weight; or

19 (c) Reasonable grounds to believe that the person stopped, being under the age of twenty-  
20 one years, was committing a violation of the traffic laws of the state, or political subdivision of the  
21 state, and such officer had reasonable grounds to believe, after making such stop, that the person had  
22 a blood alcohol content of two-hundredths of one percent or greater; and

23 (3) Whether the person refused to submit to the test.

24 5. If the court determines any issue not to be in the affirmative, the court shall order the  
25 director to reinstate the license or permit to drive.

26 6. Requests for review as provided in this section shall go to the head of the docket of the  
27 court wherein filed.

28 7. No person who has had a license to operate a motor vehicle suspended or revoked under  
29 the provisions of this section shall have that license reinstated until such person has participated in  
30 and successfully completed a substance abuse traffic offender program defined in section 302.010,  
31 or a program determined to be comparable by the department of mental health. Assignment  
32 recommendations, based upon the needs assessment as described in subdivision (24) of section  
33 302.010, shall be delivered in writing to the person with written notice that the person is entitled to  
34 have such assignment recommendations reviewed by the court if the person objects to the  
35 recommendations. The person may file a motion in the associate division of the circuit court of the  
36 county in which such assignment was given, on a printed form provided by the state courts  
37 administrator, to have the court hear and determine such motion under the provisions of chapter 517.  
38 The motion shall name the person or entity making the needs assessment as the respondent and a  
39 copy of the motion shall be served upon the respondent in any manner allowed by law. Upon

1 hearing the motion, the court may modify or waive any assignment recommendation that the court  
 2 determines to be unwarranted based upon a review of the needs assessment, the person's driving  
 3 record, the circumstances surrounding the offense, and the likelihood of the person committing a  
 4 similar offense in the future, except that the court may modify but shall not waive the assignment to  
 5 an education or rehabilitation program of a person determined to be a prior or persistent offender as  
 6 defined in section 577.001, or of a person determined to have operated a motor vehicle with a blood  
 7 alcohol content of fifteen-hundredths of one percent or more by weight. Compliance with the court  
 8 determination of the motion shall satisfy the provisions of this section for the purpose of reinstating  
 9 such person's license to operate a motor vehicle. The respondent's personal appearance at any  
 10 hearing conducted under this subsection shall not be necessary unless directed by the court.

11 8. The fees for the substance abuse traffic offender program, or a portion thereof, to be  
 12 determined by the division of behavioral health of the department of mental health, shall be paid by  
 13 the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition  
 14 to any fee charged for the program, a supplemental fee to be determined by the department of  
 15 mental health for the purposes of funding the substance abuse traffic offender program defined in  
 16 section 302.010. The administrator of the program shall remit to the division of behavioral health of  
 17 the department of mental health on or before the fifteenth day of each month the supplemental fee  
 18 for all persons enrolled in the program, less two percent for administrative costs. Interest shall be  
 19 charged on any unpaid balance of the supplemental fees due to the division of behavioral health  
 20 under this section, and shall accrue at a rate not to exceed the annual rates established under the  
 21 provisions of section 32.065, plus three percentage points. The supplemental fees and any interest  
 22 received by the department of mental health under this section shall be deposited in the mental  
 23 health earnings fund, which is created in section 630.053.

24 9. Any administrator who fails to remit to the division of behavioral health of the  
 25 department of mental health the supplemental fees and interest for all persons enrolled in the  
 26 program under this section shall be subject to a penalty equal to the amount of interest accrued on  
 27 the supplemental fees due to the division under this section. If the supplemental fees, interest, and  
 28 penalties are not remitted to the division of behavioral health of the department of mental health  
 29 within six months of the due date, the attorney general of the state of Missouri shall initiate  
 30 appropriate action for the collection of said fees and accrued interest. The court shall assess  
 31 attorneys' fees and court costs against any delinquent program.

32 10. Any person who has had a license to operate a motor vehicle revoked under this section  
 33 and who has a prior alcohol-related enforcement contact, as defined in section 302.525, or who has  
 34 been found guilty of an intoxication-related traffic offense, as defined under section 577.001, in  
 35 which the person's blood alcohol content was found to be fifteen-hundredths of one percent or more  
 36 by weight of alcohol in such person's blood, shall be required to file proof with the director of  
 37 revenue that any motor vehicle operated by the person is equipped with a functioning, certified  
 38 ignition interlock device as a required condition of license reinstatement. Such ignition interlock  
 39 device shall further be required to be maintained on all motor vehicles operated by the person for a

1 period of not less than six months immediately following the date of reinstatement. If the monthly  
2 monitoring reports show that the ignition interlock device has registered any confirmed blood  
3 alcohol concentration readings above the alcohol setpoint established by the department of  
4 transportation or that the person has tampered with or circumvented the ignition interlock device  
5 within the last three months of the six-month period of required installation of the ignition interlock  
6 device, then the period for which the person shall maintain the ignition interlock device following  
7 the date of reinstatement shall be extended until the person has completed three consecutive months  
8 with no violations as described in this section. If the person fails to maintain such proof with the  
9 director as required by this section, the license shall be rerevoked until proof as required by this  
10 section is filed with the director, and the person shall be guilty of a class A misdemeanor.

11 11. The revocation period of any person whose license and driving privilege has been  
12 revoked under this section and who has filed proof of financial responsibility with the department of  
13 revenue in accordance with chapter 303 and is otherwise eligible shall be terminated by a notice  
14 from the director of revenue after one year from the effective date of the revocation. Unless proof  
15 of financial responsibility is filed with the department of revenue, the revocation shall remain in  
16 effect for a period of two years from its effective date. If the person fails to maintain proof of  
17 financial responsibility in accordance with chapter 303, the person's license and driving privilege  
18 shall be rerevoked.

19 12. A person commits the offense of failure to maintain proof with the Missouri department  
20 of revenue if, when required to do so, he or she fails to file proof with the director of revenue that  
21 any vehicle operated by the person is equipped with a functioning, certified ignition interlock device  
22 or fails to file proof of financial responsibility with the department of revenue in accordance with  
23 chapter 303. The offense of failure to maintain proof with the Missouri department of revenue is a  
24 class A misdemeanor."; and"; and  
25

26 Further amend said bill by amending the title, enacting clause, and intersectional references  
27 accordingly.
