36 nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to
37 review, to delay the effective date, or to disapprove and annul a rule are subsequently held
38 unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after
39 August 28, 1999, shall be invalid and void."; and

29 political subdivision thereof related to the same subject, the amount of the award in the action or the
30 amount received in the settlement agreement, less any sums paid to attorneys or for costs in

38 the claimant shall reimburse the state for the sum of moneys paid under the judgment entry referred
39 to in subsection 5 of this section, less any sums paid to attorneys or for costs in litigating the other

6 mistakenly convicted. The clerk of the court shall send a certified copy of the certificate of
7 innocence and the judgment entry to the attorney general for payment under section 105.711.

8 8. Upon entry of a certificate of innocence, the claimant shall automatically be granted an
9 order of expungement from the court in which he or she pled guilty or was sentenced to expunge
10 from all official records or recordations of his or her arrest, plea, trial, or conviction. Upon granting
11 of the order of expungement, the records and files maintained in any administrative or court
12 proceeding in an associate or circuit division of the court shall be confidential and only available to
13 the parties or by order of the court for good cause shown. The effect of such order shall be to
14 restore such person to the status he or she occupied prior to such arrest, plea, or conviction and as if
15 such event had never taken place. No person as to whom such order has been entered shall be held
16 thereafter under any provision of any law to be guilty of perjury or otherwise giving a false
17 statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction,
18 or expungement in response to any inquiry made of him or her for any purpose whatsoever, and no
19 such inquiry shall be made for information relating to an expungement under this subsection.

20 9. Upon entry of a certificate of innocence, the court shall order the expungement and

27 highway patrol to expunge and destroy any sample or profile record associated with the claimant
28 that was related to any offense other than the offense for which the court has entered a certificate of
29 innocence.

30 10. The decision to grant or deny a certificate of innocence shall not have a res judicata
31 effect on any other proceedings.

32 11. Nothing in this section shall preclude the department of corrections from providing a
33 claimant reentry services that are provided to other persons including, but not limited to, financial
34 assistance, housing assistance, mentoring, and counseling. Such services shall be provided while an
35 action under this section is pending and after any judgment is entered, as appropriate for such
36 claimant.

37 12. A decision under this section may be appealed to the supreme court.

 4 to each individual awarded tuition assistance under section 506.400 who is enrolled in a public
 5 institution of higher education for reimbursement of additional fees including, but not limited to,
 6 fees for room and board, technical equipment, and course-required books.

7 (2) No public institution of higher education shall delay enrollment of an individual who is

 25 Further amend said bill, Page 110, Section 435.014, Line 14, by inserting after said section and line
 26 the following:

27
 28 ~~"[650.058. 1. Notwithstanding the sovereign immunity of the state, any~~
 29 ~~individual who was found guilty of a felony in a Missouri court and was later~~
 30 ~~determined to be actually innocent of such crime solely as a result of DNA~~
 31 ~~profiling analysis may be paid restitution. The individual may receive an amount~~
 32 ~~of one hundred dollars per day for each day of postconviction incarceration for the~~
 33 ~~crime for which the individual is determined to be actually innocent. The petition~~
 34 ~~for the payment of said restitution shall be filed with the sentencing court. For the~~
 35 ~~purposes of this section, the term "actually innocent" shall mean:~~

36 ~~(1) The individual was convicted of a felony for which a final order of~~
 37 ~~release was entered by the court;~~

38 ~~(2) All appeals of the order of release have been exhausted;~~

39 ~~(3) The individual was not serving any term of a sentence for any other~~
 40 ~~crime concurrently with the sentence for which he or she is determined to be~~
 41 ~~actually innocent, unless such individual was serving another concurrent sentence~~
 42 ~~because his or her parole was revoked by a court or the parole board in connection~~

1 with the crime for which the person has been exonerated. Regardless of whether
 2 any other basis may exist for the revocation of the person's probation or parole at
 3 the time of conviction for the crime for which the person is later determined to be
 4 actually innocent, when the court's or the parole board's sole stated reason for the
 5 revocation in its order is the conviction for the crime for which the person is later
 6 determined to be actually innocent, such order shall, for purposes of this section
 7 only, be conclusive evidence that their probation or parole was revoked in
 8 connection with the crime for which the person has been exonerated; and

9 (4) ~~Testing ordered under section 547.035, or testing by the order of any~~
 10 ~~state or federal court, if such person was exonerated on or before August 28, 2004,~~
 11 ~~or testing ordered under section 650.055, if such person was or is exonerated after~~
 12 ~~August 28, 2004, demonstrates a person's innocence of the crime for which the~~
 13 ~~person is in custody.~~

14 Any individual who receives restitution under this section shall be prohibited from
 15 seeking any civil redress from the state, its departments and agencies, or any
 16 employee thereof, or any political subdivision or its employees. This section shall
 17 not be construed as a waiver of sovereign immunity for any purposes other than
 18 the restitution provided for herein. The department of corrections shall determine
 19 the aggregate amount of restitution owed during a fiscal year. If insufficient
 20 moneys are appropriated each fiscal year to pay restitution to such persons, the
 21 department shall pay each individual who has received an order awarding
 22 restitution a pro rata share of the amount appropriated. Provided sufficient
 23 moneys are appropriated to the department, the amounts owed to such individual
 24 shall be paid on June thirtieth of each subsequent fiscal year, until such time as the
 25 restitution to the individual has been paid in full. However, no individual awarded
 26 restitution under this subsection shall receive more than thirty-six thousand five
 27 hundred dollars during each fiscal year. No interest on unpaid restitution shall be
 28 awarded to the individual. No individual who has been determined by the court to
 29 be actually innocent shall be responsible for the costs of care under section
 30 217.831.

31 2. If the results of the DNA testing confirm the person's guilt, then the
 32 person filing for DNA testing under section 547.035, shall:

33 (1) Be liable for any reasonable costs incurred when conducting the DNA
 34 test, including but not limited to the cost of the test. Such costs shall be
 35 determined by the court and shall be included in the findings of fact and
 36 conclusions of law made by the court; and

37 (2) Be sanctioned under the provisions of section 217.262.

38 3. A petition for payment of restitution under this section may only be
 39 filed by the individual determined to be actually innocent or the individual's legal
 40 guardian. No claim or petition for restitution under this section may be filed by
 41 the individual's heirs or assigns. An individual's right to receive restitution under
 42 this section is not assignable or otherwise transferrable. The state's obligation to
 43 pay restitution under this section shall cease upon the individual's death. Any
 44 beneficiary designation that purports to bequeath, assign, or otherwise convey the
 45 right to receive such restitution shall be void and unenforceable.

46 4. An individual who is determined to be actually innocent of a crime
 47 under this chapter shall automatically be granted an order of expungement from
 48 the court in which he or she pled guilty or was sentenced to expunge from all

1 ~~official records all recordations of his or her arrest, plea, trial or conviction. Upon~~
2 ~~granting of the order of expungement, the records and files maintained in any~~
3 ~~administrative or court proceeding in an associate or circuit division of the court~~
4 ~~shall be confidential and only available to the parties or by order of the court for~~
5 ~~good cause shown. The effect of such order shall be to restore such person to the~~
6 ~~status he or she occupied prior to such arrest, plea or conviction and as if such~~
7 ~~event had never taken place. No person as to whom such order has been entered~~
8 ~~shall be held thereafter under any provision of any law to be guilty of perjury or~~
9 ~~otherwise giving a false statement by reason of his or her failure to recite or~~
10 ~~acknowledge such arrest, plea, trial, conviction or expungement in response to any~~
11 ~~inquiry made of him or her for any purpose whatsoever and no such inquiry shall~~
12 ~~be made for information relating to an expungement under this section.]"~~; and
