restorative art, together with statutes, rules and regulations governing the care, custody, shelter and disposition of dead human bodies and the transportation thereof or has passed the national board examination of the Conference of Funeral Service Examining Boards. If any applicant fails to pass the state examination, he or she may retake the examination at the next regular examination meeting. The applicant shall notify the board office of his or her desire to retake the examination at least thirty days prior to the date of the examination. Each time the examination is retaken, the applicant shall pay a new examination fee in an amount established by the board;

(4) Has been employed full time in funeral service in a licensed funeral establishment and has personally embalmed at least twenty-five dead human bodies under the personal supervision of an embalmer who holds a current and valid Missouri embalmer's license during an apprenticeship of not less than twelve consecutive months. "Personal supervision" means that the licensed embalmer shall be physically present during the entire embalming process in the first six months of the apprenticeship period and physically present at the beginning of the embalming process and available for consultation and personal inspection within a period of not more than one hour in the remaining six months of the apprenticeship period. All transcripts and other records filed with the board shall become a part of the board files.]

2. After a student's application has been approved by the board, student licensees who are enrolled in a funeral service education program may assist, under the direct supervision of an embalmer licensed under this chapter, in an establishment licensed for embalming under this chapter. Student licensees shall not assist when not under such supervision.

3. In order to be eligible for full licensure, a student licensee shall, after completing a funeral service education program accredited by the American Board of Funeral Service Education or any successor organization or any other accrediting entity as approved by the board:

(1) Demonstrate that he or she has completed a qualifying apprenticeship of no less than six months and has personally embalmed at least twenty-five dead human bodies under the direct supervision of an embalmer who is licensed under this chapter; and

(2) Pass the National Board or State Board Science examination and the Missouri law examination.

4. If the applicant does not complete the application process within the five years after his or her completion of an approved program, then he or she must file a new application and no fees paid previously shall apply toward the license fee.

5. Examinations required by this section and section 333.042 shall be held at least twice a year at times and places fixed by the board. The board shall by rule and regulation prescribe the standard for successful completion of the examinations.

6. (1) Upon establishment of his or her qualifications as specified by this section [or section 333.042], the board shall issue to the applicant a license to practice funeral [directing or] embalming[, as the case may require,] and shall register the applicant as a [duly licensed funeral director or a] duly licensed embalmer. Any person having the qualifications required by this section

1 and section 333.042 may be granted both a license to practice funeral directing and to practice
2 embalming.

3 (2) Any person licensed under this subsection may, at his or her election, at any time, sit for
4 the National Board or State Board Arts examination for the purpose of potential reciprocity with any
5 other state that may require such examination.

6 ~~7. [The board shall, upon request, waive any requirement of this chapter and issue a~~
7 ~~temporary funeral director's license, valid for six months, to the surviving spouse or next of kin or~~
8 ~~the personal representative of a licensed funeral director, or to the spouse, next of kin, employee or~~
9 ~~conservator of a licensed funeral director disabled because of sickness, mental incapacity or injury]~~
10 For purposes of this section, the following terms mean:

11 (1) "Direct supervision", supervision in which the licensed embalmer is physically present
12 with the apprentice and the dead human body at the beginning of the embalming and within the
13 same building in which the embalming is taking place for the entire embalming;

14 (2) "Qualifying apprenticeship", an apprenticeship in which the applicant devotes at least
15 thirty hours each week to his or her duties as an apprentice under the direct supervision of an
16 embalmer licensed under this chapter in a funeral establishment licensed to embalm dead human
17 bodies.

18 ~~333.042. 1. [Every person desiring to enter the profession of funeral directing in this state~~
19 ~~shall make application with the state board of embalmers and funeral directors and pay the current~~
20 ~~application and examination fees. Except as otherwise provided in section 41.950, applicants not~~
21 ~~entitled to a license pursuant to section 333.051 or 324.009 shall serve an apprenticeship for at least~~
22 ~~twelve consecutive months in a funeral establishment licensed for the care and preparation for burial~~
23 ~~and transportation of the human dead in this state or in another state which has established standards~~
24 ~~for admission to practice funeral directing equal to, or more stringent than, the requirements for~~
25 ~~admission to practice funeral directing in this state. The applicant shall devote at least fifteen hours~~
26 ~~per week to his or her duties as an apprentice under the supervision of a Missouri licensed funeral~~
27 ~~director. Such applicant shall submit proof to the board, on forms provided by the board, that the~~
28 ~~applicant has arranged and conducted ten funeral services during the applicant's apprenticeship~~
29 ~~under the supervision of a Missouri licensed funeral director. Upon completion of the~~
30 ~~apprenticeship, the applicant shall appear before the board to be tested on the applicant's legal and~~
31 ~~practical knowledge of funeral directing, funeral home licensing, preneed funeral contracts and the~~
32 ~~care, custody, shelter, disposition and transportation of dead human bodies. Upon acceptance of the~~
33 ~~application and fees by the board, an applicant shall have twenty-four months to successfully~~
34 ~~complete the requirements for licensure found in this section or the application for licensure shall be~~
35 ~~cancelled.~~

36 ~~2. If a person applies for a limited license to work only in a funeral establishment which is~~
37 ~~licensed only for cremation, including transportation of dead human bodies to and from the funeral~~
38 ~~establishment, he or she shall make application, pay the current application and examination fee and~~
39 ~~successfully complete the Missouri law examination. He or she shall be exempt from the twelve-~~

~~month apprenticeship required by subsection 1 of this section and the practical examination before the board. If a person has a limited license issued pursuant to this subsection, he or she may obtain a full funeral director's license if he or she fulfills the apprenticeship and successfully completes the funeral director practical examination.~~

~~3. If an individual is a Missouri licensed embalmer or has completed a program accredited by the American Board of Funeral Service Education, any successor organization, or other accrediting entity as approved by the board or has successfully completed a course of study in funeral directing offered by an institution accredited by a recognized national, regional or state accrediting body and approved by the state board of embalmers and funeral directors, and desires to enter the profession of funeral directing in this state, the individual shall comply with all the requirements for licensure as a funeral director pursuant to subsection 1 of section 333.041 and subsection 1 of this section; however, the individual is exempt from the twelve-month apprenticeship required by subsection 1 of this section]~~ Every person desiring to engage in the practice of funeral directing as an apprentice in this state shall obtain a provisional funeral director license from the board. To apply for a provisional license, the applicant shall submit an application to the state board of embalmers and funeral directors, pay the current application fees, and furnish evidence to establish to the satisfaction of the board that he or she:

(1) Is at least eighteen years of age; and

(2) Will work as an apprentice funeral director under personal supervision of a funeral director licensed under this chapter. The applicant shall provide to the board the name and license number of the funeral director who will perform his or her supervision and the location where the applicant will practice.

2. An applicant for a provisional funeral director license under subsection 1 of this section shall have twenty-four months to complete the requirements for licensure under this section. If the applicant fails to complete the requirements within such period, the application for licensure shall be cancelled. If the application is cancelled, the applicant shall be required to file a new application and pay applicable fees. No previous apprenticeship shall be considered for the new application.

3. Every person desiring to enter the profession of funeral directing in this state shall submit an application to the state board of embalmers and funeral directors, pay the current application fees, and furnish evidence to establish to the satisfaction of the board that he or she:

(1) Is at least eighteen years of age and possesses a high school diploma, a general equivalency diploma, or equivalent thereof, as determined, at its discretion, by the board;

(2) Has passed the Missouri law examination; and

(3) Has:

(a) Passed the National Board or State Board Arts examination and successfully completed a program accredited by the American Board of Funeral Service Education or any successor organization or any other accrediting entity as approved by the board;

(b) Passed the National Board or State Board Arts examination and successfully completed a course of study in funeral directing offered by an institution accredited by a recognized national,

1 regional, or state accrediting body and approved by the state board of embalmers and funeral
 2 directors;

3 (c) Passed the National Board or State Board Arts examination and successfully completed
 4 a qualifying apprenticeship for at least twelve months, during which the applicant establishes to the
 5 satisfaction of the board that he or she conducted and arranged at least ten funerals; or

6 (d) Successfully completed a qualifying apprenticeship for at least twelve months, during
 7 which the applicant establishes to the satisfaction of the board that he or she has conducted and
 8 arranged at least twenty-five funerals.

9 4. (1) Upon establishment of his or her qualifications as specified by this section, the board
 10 shall issue to the applicant a license to practice funeral directing and shall register the applicant as a
 11 duly licensed funeral director. Any person having the qualifications required by this section and
 12 section 333.041 may be granted both a license to practice funeral directing and to practice
 13 embalming.

14 (2) Any person licensed under this subsection without passing the National Board or State
 15 Board Arts examination may, at his or her election, at any time, sit for the National Board or State
 16 Board Arts examination for the purpose of potential reciprocity with any other state that may require
 17 such examination.

18 5. Every person desiring to obtain a funeral director limited license in this state shall submit
 19 an application to the state board of embalmers and funeral directors, pay the current application fees,
 20 and furnish evidence to establish to the satisfaction of the board that he or she:

21 (1) Is at least eighteen years of age; and

22 (2) Has successfully completed the Missouri law examination.

23 6. A person holding a funeral director limited license shall not be authorized to practice
 24 funeral directing in the state, except as follows:

25 (1) He or she may work in a funeral establishment licensed only for cremation, including
 26 transportation of dead human bodies to and from the funeral establishment; and

27 (2) He or she may perform cremations and duties relating to cremation.

28 7. If a person has a funeral director limited license issued under this section, he or she may
 29 obtain a full funeral director's license by fulfilling the apprenticeship requirements of paragraph (d)
 30 of subdivision (3) of subsection 3 of this section or by successfully completing a program accredited
 31 by the American Board of Funeral Service Education or any successor organization or any other
 32 accrediting entity as approved by the board.

33 8. The board shall, upon request, waive any requirement of this chapter and issue a
 34 temporary funeral director's license, valid for six months, to the surviving spouse or next of kin or
 35 the personal representative of a licensed funeral director, or to the spouse, next of kin, employee, or
 36 conservator of a licensed funeral director disabled because of sickness, mental incapacity, or injury.

37 9. For purposes of this section, the following terms mean:

38 (1) "Personal supervision", supervision in which a licensed funeral director shall be
 39 physically present during any arrangement conferences but shall not be required to be physically

1 present at the location where the apprentice performs any other functions relating to the practice of
2 funeral directing;

3 (2) "Qualifying apprenticeship", an apprenticeship in which the applicant devotes at least
4 fifteen hours each week to his or her duties as an apprentice under the personal supervision of a
5 funeral director licensed under this chapter in a funeral establishment licensed for the care and
6 preparation for burial and transportation of the human dead."; and
