5 no. 402, one hundred second general assembly, first regular session, are"; and

6
7 Further amend said bill, Page 10, Section 565.240, Line 15, by inserting after all of said section and
8 line the following:

9
10 "Section 1. The department of health and senior services shall include on its website an
11 advance health care directive form and directions for completing such form as described in section
12 459.015. The department shall include a listing of possible uses for an advance health care
13 directive, including to limit pain control to nonopioid measures.

14
15 [192.530. 1. As used in this section, the following terms mean:

16 (1) "Department", the department of health and senior services;

17 (2) "Health care provider", the same meaning given to the term in section 376.1350;

18 (3) "Voluntary nonopioid directive form", a form that may be used by a patient to deny or
19 refuse the administration or prescription of a controlled substance containing an opioid by a health
20 care provider.

21 2. In consultation with the board of registration for the healing arts and the board of
22 pharmacy, the department shall develop and publish a uniform voluntary nonopioid directive form.

23 3. The voluntary nonopioid directive form developed by the department shall indicate to all
24 prescribing health care providers that the named patient shall not be offered, prescribed, supplied
25 with, or otherwise administered a controlled substance containing an opioid.

26 4. The voluntary nonopioid directive form shall be posted in a downloadable format on the
27 department's publicly accessible website.

28 5. (1) A patient may execute and file a voluntary nonopioid directive form with a health
29 care provider. Each health care provider shall sign and date the form in the presence of the patient
30 as evidence of acceptance and shall provide a signed copy of the form to the patient.

31 (2) The patient executing and filing a voluntary nonopioid directive form with a health care
32 provider shall sign and date the form in the presence of the health care provider or a designee of the
33 health care provider. In the case of a patient who is unable to execute and file a voluntary nonopioid
34 directive form, the patient may designate a duly authorized guardian or health care proxy to execute
35 and file the form in accordance with subdivision (1) of this subsection.

Action Taken _____ Date _____

(3) A patient may revoke the voluntary nonopioid directive form for any reason and may do so by written or oral means.

6. The department shall promulgate regulations for the implementation of the voluntary nonopioid directive form that shall include, but not be limited to:

(1) A standard method for the recording and transmission of the voluntary nonopioid directive form, which shall include verification by the patient's health care provider and shall comply with the written consent requirements of the Public Health Service Act, 42 U.S.C. Section 290dd-2(b), and 42 CFR Part 2, relating to confidentiality of alcohol and drug abuse patient records, provided that the voluntary nonopioid directive form shall also provide the basic procedures necessary to revoke the voluntary nonopioid directive form;

(2) Procedures to record the voluntary nonopioid directive form in the patient's medical record or, if available, the patient's interoperable electronic medical record;

(3) Requirements and procedures for a patient to appoint a duly authorized guardian or health care proxy to override a previously filed voluntary nonopioid directive form and circumstances under which an attending health care provider may override a previously filed voluntary nonopioid directive form based on documented medical judgment, which shall be recorded in the patient's medical record;

(4) Procedures to ensure that any recording, sharing, or distributing of data relative to the voluntary nonopioid directive form complies with all federal and state confidentiality laws; and

(5) Appropriate exemptions for health care providers and emergency medical personnel to prescribe or administer a controlled substance containing an opioid when, in their professional medical judgment, a controlled substance containing an opioid is necessary, or the provider and medical personnel are acting in good faith.

The department shall develop and publish guidelines on its publicly accessible website that shall address, at a minimum, the content of the regulations promulgated under this subsection. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.

7. A written prescription that is presented at an outpatient pharmacy or a prescription that is electronically transmitted to an outpatient pharmacy is presumed to be valid for the purposes of this section, and a pharmacist in an outpatient setting shall not be held in violation of this section for dispensing a controlled substance in contradiction to a voluntary nonopioid directive form, except upon evidence that the pharmacist acted knowingly against the voluntary nonopioid directive form.

8. (1) A health care provider or an employee of a health care provider acting in good faith shall not be subject to criminal or civil liability and shall not be considered to have engaged in unprofessional conduct for failing to offer or administer a prescription or medication order for a controlled substance containing an opioid under the voluntary nonopioid directive form.

(2) A person acting as a representative or an agent pursuant to a health care proxy shall not be subject to criminal or civil liability for making a decision under subdivision (3) of subsection 6 of this section in good faith.

(3) Notwithstanding any other provision of law, a professional licensing board, at its discretion, may limit, condition, or suspend the license of, or assess fines against, a health care provider who recklessly or negligently fails to comply with a patient's voluntary nonopioid directive form." and
