7 the persons are eligible to file a joint federal income tax return and reside at the same address at any
8 time during the taxable year, then the credit may only be allowed if claimed on a combined Missouri
9 income tax return or a combined claim return reporting their combined incomes and property taxes.
10 A claimant shall not be allowed a property tax credit unless the claimant or spouse has attained the
11 age of sixty-five on or before the last day of the calendar year and the claimant or spouse was a
12 resident of Missouri for the entire year, or the claimant or spouse is a veteran of any branch of the
13 Armed Forces of the United States or this state who became one hundred percent disabled as a result
14 of such service, or the claimant or spouse is disabled as defined in subdivision (2) of this section,
15 and such claimant or spouse provides proof of such disability in such form and manner, and at such
16 times, as the director of revenue may require, or if the claimant has reached the age of sixty on or
17 before the last day of the calendar year and such claimant received surviving spouse Social Security
18 benefits during the calendar year and the claimant provides proof, as required by the director of
19 revenue, that the claimant received surviving spouse Social Security benefits during the calendar
20 year for which the credit will be claimed. A claimant shall not be allowed a property tax credit if
21 the claimant filed a valid claim for a credit under section 137.106 in the year following the year for
22 which the property tax credit is claimed. The residency requirement shall be deemed to have been
23 fulfilled for the purpose of determining the eligibility of a surviving spouse for a property tax credit
24 if a person of the age of sixty-five years or older who would have otherwise met the requirements
25 for a property tax credit dies before the last day of the calendar year. The residency requirement
26 shall also be deemed to have been fulfilled for the purpose of determining the eligibility of a

4 (3) "Gross rent", amount paid by a claimant to a landlord for the rental, at arm's length, of a
5 homestead during the calendar year, exclusive of charges for health and personal care services and
6 food furnished as part of the rental agreement, whether or not expressly set out in the rental
7 agreement. If the director of revenue determines that the landlord and tenant have not dealt at arm's
8 length, and that the gross rent is excessive, then he shall determine the gross rent based upon a
9 reasonable amount of rent. Gross rent shall be deemed to be paid only if actually paid prior to the
10 date a return is filed. The director of revenue may prescribe regulations requiring a return of
11 information by a landlord receiving rent, certifying for a calendar year the amount of gross rent
12 received from a tenant claiming a property tax credit and shall, by regulation, provide a method for
13 certification by the claimant of the amount of gross rent paid for any calendar year for which a claim
14 is made. The regulations authorized by this subdivision may require a landlord or a tenant or both to
15 provide data relating to health and personal care services and to food. Neither a landlord nor a
16 tenant may be required to provide data relating to utilities, furniture, home furnishings or
17 appliances;

18 (4) "Homestead", the dwelling in Missouri owned or rented by the claimant and not to

22 tenants by the entireties, joint tenants, or tenants in common and includes a claimant actually in
23 possession if he was the immediate former owner of record, if a lineal descendant is presently the

25 mobile home;

26 (5) "Income", Missouri adjusted gross income as defined in section 143.121 less two
27 thousand dollars for all calendar years ending on or before December 31, 2023, or in the case of a
28 homestead owned and occupied, for the entire year, by the claimant, less four thousand dollars as an
29 exemption for the claimant's spouse residing at the same address[;] for all calendar years ending on
30 or before December 31, 2023, or for all calendar years beginning on or after January 1, 2024, less
31 two thousand eight hundred dollars, or in the case of a homestead owned and occupied, for the
32 entire year, by the claimant, less five thousand eight hundred dollars, as an exemption for the
33 claimant's spouse residing at the same address; and increased, where necessary, to reflect the
34 following:

35 (a) Social Security, railroad retirement, and veterans payments and benefits unless the
36 claimant is a one hundred percent service-connected, disabled veteran or a spouse of a one hundred
37 percent service-connected, disabled veteran. The one hundred percent service-connected disabled
38 veteran shall not be required to list veterans payments and benefits;

39 (b) The total amount of all other public and private pensions and annuities;

7 penalties, interest, and charges for service levied on a claimant's homestead in any calendar year.
8 Property taxes shall qualify for the credit only if actually paid prior to the date a return is filed. The
9 director of revenue shall require a tax receipt or other proof of property tax payment. If a homestead
10 is owned only partially by claimant, then "property taxes accrued" is that part of property taxes
11 levied on the homestead which was actually paid by the claimant. For purposes of this subdivision,
12 property taxes are "levied" when the tax roll is delivered to the director of revenue for collection. If
13 a claimant owns a homestead part of the preceding calendar year and rents it or a different
14 homestead for part of the same year, "property taxes accrued" means only taxes levied on the
15 homestead both owned and occupied by the claimant, multiplied by the percentage of twelve months
16 that such property was owned and occupied as the homestead of the claimant during the year. When
17 a claimant owns and occupies two or more different homesteads in the same calendar year, property
18 taxes accrued shall be the sum of taxes allocable to those several properties occupied by the
19 claimant as a homestead for the year. If a homestead is an integral part of a larger unit such as a
20 farm, or multipurpose or multidwelling building, property taxes accrued shall be that percentage of
21 the total property taxes accrued as the value of the homestead is of the total value. For purposes of
22 this subdivision "unit" refers to the parcel of property covered by a single tax statement of which the
23 homestead is a part;

24 (7) "Rent constituting property taxes accrued", twenty percent of the gross rent paid by a
25 claimant and spouse in the calendar year.

26 135.025. The property taxes accrued and rent constituting property taxes accrued on each
27 return shall be totaled. This total, up to seven hundred fifty dollars in rent constituting property
28 taxes actually paid or eleven hundred dollars in actual property tax paid, shall be used in
29 determining the property tax credit for all calendar years ending on or before December 31, 2023.
30 For all calendar years beginning on or after January 1, 2024, this total, up to one thousand fifty-five
31 dollars in rent constituting property taxes actually paid or one thousand five hundred fifty dollars in
32 actual property tax paid, shall be used in determining the property tax credit. Beginning January 1,
33 2025, the property tax credit totals under this section shall be increased annually for inflation based
34 on the Consumer Price Index for All Urban Consumers for the Midwest Region, as defined and
35 officially recorded by the United States Department of Labor or its successor. The director of
36 revenue shall prescribe regulations providing for allocations where part of a claimant's homestead is
37 rented to another or used for nondwelling purposes or where a homestead is owned or rented or used
38 as a dwelling for part of a year.
