36 credit provided by this section shall be claimed by the owners of the permitted entity investor in

21 beginning of each calendar quarter, the MTC shall make available one-fourth of the total annual tax
22 credits for each region for investments made in qualified Missouri businesses located in each such
23 region. As soon as practicable at the end of each calendar quarter, the MTC shall prepare and issue
24 a report to the director of the department designating all tax credit awards for that quarter, so that the
25 department may issue such tax credits in accordance with the provisions of this section and section
26 348.274. The report shall aggregate any unissued tax credits allocated to any region for any
27 calendar quarter and divide such unissued tax credits equally over each other region and make such

36 this section and section 348.273. The reasonable costs of the annual review shall be paid by the
37 MTC according to a reasonable fee schedule adopted by the MTC in cooperation with the
38 department by and through its service on the MTC board of directors.

1 (4) If the MTC determines that a business is not in substantial compliance with the
2 requirements under this section and section 348.273 to maintain its designation, the department or
3 MTC, by written notice, may inform the business that such business will lose its designation as a
4 qualified Missouri business one hundred twenty days from the date of mailing of the notice unless
5 such business corrects the deficiencies and is once again in compliance with the requirements for
6 designation.

7 (5) At the end of the one-hundred-twenty-day period, if the qualified Missouri business is
