3
4 "565.030. 1. Where murder in the first degree is charged but not submitted or where the
5 state waives the death penalty, the submission to the trier and all subsequent proceedings in the case
6 shall proceed as in all other criminal cases.

7 2. Where murder in the first degree is submitted to the trier without a waiver of the death
8 penalty, the trial shall proceed in two stages before the same trier. At the first stage the trier shall
9 decide only whether the defendant is guilty or not guilty of any submitted offense. The issue of
10 punishment shall not be submitted to the trier at the first stage. If an offense is charged other than
11 murder in the first degree in a count together with a count of murder in the first degree, the trial
12 judge shall assess punishment on any such offense according to law, after the defendant is found
13 guilty of such offense and after he finds the defendant to be a prior offender pursuant to chapter 558.

14 3. If murder in the first degree is submitted and the death penalty was not waived but the
15 trier finds the defendant guilty of a lesser homicide, a second stage of the trial shall proceed as in all
16 other criminal cases. The attorneys may then argue as in other criminal cases the issue of
17 punishment, after which the trier shall assess and declare the punishment as in all other criminal
18 cases.

19 4. If the trier at the first stage of a trial where the death penalty was not waived finds the
20 defendant guilty of murder in the first degree, a second stage of the trial shall proceed at which the
21 only issue shall be the punishment to be assessed and declared. Evidence in aggravation and
22 mitigation of punishment, including but not limited to evidence supporting any of the aggravating or
23 mitigating circumstances listed in subsection 2 or 3 of section 565.032, may be presented subject to
24 the rules of evidence at criminal trials. Such evidence may include, within the discretion of the
25 court, evidence concerning the murder victim and the impact of the offense upon the family of the
26 victim and others. Rebuttal and surrebuttal evidence may be presented. The state shall be the first
27 to proceed. If the trier is a jury it shall be instructed on the law. The attorneys may then argue the
28 issue of punishment to the jury, and the state shall have the right to open and close the argument.
29 The trier shall assess and declare the punishment at life imprisonment without eligibility for
30 probation, parole, or release except by act of the governor:

1 (1) If the trier finds by a preponderance of the evidence that the defendant is intellectually
2 disabled; or

3 (2) If the trier does not find beyond a reasonable doubt at least one of the statutory
4 aggravating circumstances set out in subsection 2 of section 565.032; or

5 (3) If the trier concludes that there is evidence in mitigation of punishment, including but
6 not limited to evidence supporting the statutory mitigating circumstances listed in subsection 3 of
7 section 565.032, which is sufficient to outweigh the evidence in aggravation of punishment found by
8 the trier; or

9 (4) If the trier decides under all of the circumstances not to assess and declare the
10 punishment at death. If the trier is a jury it shall be so instructed.

11 If the trier assesses and declares the punishment at death it shall, in its findings or verdict, set out in
12 writing the aggravating circumstance or circumstances listed in subsection 2 of section 565.032
13 which it found beyond a reasonable doubt. If the trier is a jury it shall be instructed before the case
14 is submitted that if it is unable to decide or agree upon the punishment the court shall assess and
15 declare the punishment at life imprisonment without eligibility for probation, parole, or release
16 except by act of the governor [~~or death~~]. The court shall follow the same procedure as set out in this
17 section whenever it is required to determine punishment for murder in the first degree.

18 5. Upon written agreement of the parties and with leave of the court, the issue of the
19 defendant's intellectual disability may be taken up by the court and decided prior to trial without
20 prejudicing the defendant's right to have the issue submitted to the trier of fact as provided in
21 subsection 4 of this section.

22 6. As used in this section, the terms "intellectual disability" or "intellectually disabled" refer
23 to a condition involving substantial limitations in general functioning characterized by significantly
24 subaverage intellectual functioning with continual extensive related deficits and limitations in two
