

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By

1 AMEND House Committee Substitute for Senate Substitute No. 2 for Senate Committee Substitute for  
2 Senate Bill Nos. 4, 42 & 89, Page 6, Section 160.522, Line 145, by inserting after all of the said section and  
3 line the following:  
4

5 "160.565. 1. This section shall be known and may be cited as the "Extended Learning Opportunities  
6 Act".

7 2. As used in this section, the following terms mean:

8 (1) "Extended learning opportunity", an out-of-classroom learning experience that is approved by a  
9 local school board or a charter school and that provides a student with:

10 (a) Enrichment opportunities;

11 (b) Career readiness or employability skills opportunities including, but not limited to, internships,  
12 pre-apprenticeships, or apprenticeships; or

13 (c) Any other approved educational opportunity;

14 (2) "Parent", a student's parent, guardian, or other person having control or custody of such student;

15 (3) "Student", any child attending an elementary or secondary public school in grades kindergarten  
16 through twelve.

17 3. Beginning with the 2024-25 school year, each local school board and charter school shall  
18 routinely inform students and parents of the ability for students to earn credit for participating in extended  
19 learning opportunities. Public schools and charter schools may assist students and parents in completing  
20 enrollment processes required for participating in approved extended learning opportunities. No student or  
21 parent shall be required to obtain permission from the student's school district or charter school to enroll in an  
22 approved extended learning opportunity. Before participating in any extended learning opportunity, the  
23 student and at least one parent shall sign an agreement detailing all program requirements in a form  
24 developed by the department of elementary and secondary education and approved by the state board of  
25 education.

26 4. An extended learning opportunity shall count as a credit toward graduation requirements and the  
27 achievement of applicable state standards for students. To receive credit, a student shall submit a written  
28 request for credit and proof of successful completion of the extended learning opportunity to a designated  
29 administrator of the school the student attends.

30 5. Each local school district and charter school shall adopt, distribute, and implement extended  
31 learning opportunities policies that provide all of the following:

Action Taken \_\_\_\_\_ Date \_\_\_\_\_

1           (1) An application process for accepting and approving extended learning opportunities offered for  
2 credit from outside entities;

3           (2) A list of entities that are eligible to submit applications to offer extended learning opportunities  
4 including, but not limited to:

5           (a) Nonprofit organizations;

6           (b) Businesses with established locations;

7           (c) Trade associations; and

8           (d) The Armed Forces of the United States, subject to applicable age requirements;

9           (3) A process for students and parents to request credit;

10          (4) Criteria that school districts and charter schools shall use to determine whether a proposed  
11 extended learning opportunity shall be approved; and

12          (5) Criteria that school districts and charter schools shall use to award a certificate of completion and  
13 credit for completing an extended learning opportunity including, but not limited to, allowing a student to  
14 demonstrate competencies through performance-based assessments and other methods independent of  
15 instructional time and credit hours.

16          6. An entity approved by the state board of education to offer an extended learning opportunity shall  
17 be automatically qualified to offer that extended learning opportunity to all school districts and charter  
18 schools.

19          7. A student who successfully completes an approved extended learning opportunity and satisfies  
20 criteria for the award of a certification of completion and credit under subdivision (5) of subsection 5 of this  
21 section shall be considered to have completed all required coursework for the particular course. In an  
22 extended learning opportunity that satisfies all required coursework for a high school course, the student shall  
23 also be considered to have satisfied the equivalent number of credits toward the student's graduation  
24 requirements.

25          8. Any policy or procedure adopted by the state board of education, a school board, or a charter  
26 school for participating in an extended learning opportunity shall provide every student an equal opportunity  
27 to participate and shall satisfy established timelines and requirements for purposes of transcribing credits and  
28 state reporting.

29          9. The state board of education may promulgate rules to implement the provisions of this section.  
30 Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority  
31 delegated in this section shall become effective only if it complies with and is subject to all of the provisions  
32 of chapter 536 and, if applicable, section 536.028. This section and chapter are nonseverable and if any of the  
33 powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to  
34 disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority  
35 and any rule proposed or adopted after August 28, 2023, shall be invalid and void."; and

36  
37 Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
