

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By \_\_\_\_\_

1 AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 222, Page 5, Section  
2 67.137, Line 3, by inserting after all of said section and line the following:

3  
4 "67.288. 1. For purposes of this section, the following terms mean:

5 (1) "Electric vehicle", any vehicle that operates, either partially or exclusively, on electrical  
6 energy from the grid or an off-board source that is stored onboard for a motive purpose;

7 (2) "Electric vehicle charging station", a public or private parking space that is served by  
8 battery charging station equipment that has as its primary purpose the transfer of electric energy by  
9 conductive or inductive means to a battery or other energy storage device in an electric vehicle.

10 2. Notwithstanding any other provision of law, any political subdivision that adopts an  
11 ordinance, resolution, regulation, code, or policy that requires installation of electric vehicle  
12 charging stations shall pay all costs associated with the installation, maintenance, and operation of  
13 the electric vehicle charging stations. No political subdivision shall adopt any ordinance, resolution,  
14 regulation, code, or policy that requires more than five electric vehicle charging stations per parking  
15 lot, or infrastructure for future installation of more than five electric vehicle charging stations per  
16 parking lot. Such ordinances, resolutions, regulations, codes, or policies shall apply only to parking  
17 lots with more than thirty parking spaces designated for parking.

18 3. Notwithstanding any other provision of law to the contrary, no political subdivision shall  
19 adopt any ordinance, resolution, regulation, code, or policy that requires any school or any religious  
20 organization, as described in section 210.201, to install an electric vehicle charging station.

21 4. Nothing in this section shall prohibit a business owner or property owner from paying for  
22 the installation, maintenance, or operation of an electric vehicle charging station."; and

23  
24 Further amend said bill by amending the title, enacting clause, and intersectional references  
25 accordingly.
