Offered By \_\_\_\_\_

1 AMEND House Committee Substitute for House Bill No. 1162, Pages 1-3, Section 191.592, Lines  
2 1-70, by deleting all of said lines and inserting in lieu thereof the following:

3  
4 "191.592. 1. For purposes of this section, the following terms mean:

5 (1) "Department", the department of health and senior services;

6 (2) "Eligible entity", an entity that operates a physician medical residency program in this  
7 state and that is accredited by the Accreditation Council for Graduate Medical Education;

8 (3) "General primary care and psychiatry", family medicine, general internal medicine,  
9 general pediatrics, internal medicine-pediatrics, general obstetrics and gynecology, or general  
10 psychiatry;

11 (4) "Grant-funded residency position", a position that is accredited by the Accreditation  
12 Council for Graduate Medical Education, that is established as a result of funding awarded to an  
13 eligible entity for the purpose of establishing an additional medical resident position beyond the  
14 currently existing medical resident positions, and that is within the fields of general primary care  
15 and psychiatry. Such position shall end when the medical residency funding under this section is  
16 completed or when the resident in the medical grant-funded residency position is no longer  
17 employed by the eligible entity, whichever is earlier;

18 (5) "Participating medical resident", an individual who is a medical school graduate with a  
19 doctor of medicine degree or doctor of osteopathic medicine degree, who is participating in a  
20 postgraduate training program at an eligible entity, and who is filling a grant-funded residency  
21 position.

22 2. (1) Subject to appropriation, the department shall establish a medical residency grant  
23 program to award grants to eligible entities for the purpose of establishing and funding new general  
24 primary care and psychiatry medical residency positions in this state and continuing the funding of  
25 such new residency positions for the duration of the funded residency.

26 (2) (a) Funding shall be available for three years for residency positions in family medicine,  
27 general internal medicine, and general pediatrics.

28 (b) Funding shall be available for four years for residency positions in general obstetrics and  
29 gynecology, internal medicine-pediatrics, and general psychiatry.

30 3. (1) There is hereby created in the state treasury the "Medical Residency Grant Program  
31 Fund". Moneys in the fund shall be used to implement and fund grants to eligible entities.

32 (2) The medical residency grant program fund shall include funds appropriated by the  
33 general assembly, reimbursements from awarded eligible entities who were not able to fill the  
34 residency position or positions with an individual medical resident or residents, and any gifts,  
35 contributions, grants, or bequests received from federal, private, or other sources.

36 (3) The state treasurer shall be custodian of the fund. In accordance with sections 30.170

Action Taken \_\_\_\_\_ Date \_\_\_\_\_

1 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and,  
2 upon appropriation, moneys in the fund shall be used solely as provided in this section.

3 (4) Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining  
4 in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

5 (5) The state treasurer shall invest moneys in the fund in the same manner as other funds are  
6 invested. Any interest and moneys earned on such investments shall be credited to the fund.

7 4. Subject to appropriation, the department shall expend moneys in the medical residency  
8 grant program fund in the following order:

9 (1) Necessary costs of the department to implement this section;

10 (2) Funding of grant-funded residency positions of individuals in the fourth year of their  
11 residency, as applicable to residents in general obstetrics and gynecology, internal medicine-  
12 pediatrics, and general psychiatry;

13 (3) Funding of grant-funded residency positions of individuals in the third year of their  
14 residency;

15 (4) Funding of grant-funded residency positions of individuals in the second year of their  
16 residency;

17 (5) Funding of grant-funded residency positions of individuals in the first year of their  
18 residency; and

19 (6) The establishment of new grant-funded residency positions at awarded eligible entities.

20 5. The department shall establish criteria to evaluate which eligible entities shall be awarded  
21 grants for new grant-funded residency positions, criteria for determining the amount and duration of  
22 grants, the contents of the grant application, procedures and timelines by which eligible entities may  
23 apply for grants, and all other rules needed to implement the purposes of this section. Such criteria  
24 shall include a preference for eligible entities located in areas of highest need for general primary  
25 care and psychiatric care physicians, as determined by the health professional shortage area score.

26 6. Eligible entities that receive grants under this section shall:

27 (1) Agree to supplement awarded funds under this section, if necessary, to establish or  
28 maintain a grant-funded residency position for the duration of the funded resident's medical  
29 residency; and

30 (2) Agree to abide by other requirements imposed by rule.

31 7. Annual funding per participating medical resident shall be limited to:

32 (1) Direct graduate medical education costs including, but not limited to:

33 (a) Salaries and benefits for residents, faculty, and program staff;

34 (b) Malpractice insurance, licenses, and other required fees; and

35 (c) Program administration and educational materials; and

36 (2) Indirect costs of graduate medical education necessary to meet the standards of the  
37 Accreditation Council for Graduate Medical Education.

38 8. No new grant-funded residency positions under this section shall be established after the  
39 tenth fiscal year in which grants are awarded. However, any residency positions funded under this  
40 section may continue to be funded until the completion of the resident's medical residency.

41 9. The department shall submit an annual report to the general assembly regarding the  
42 implementation of the program developed under this section.

43 10. The department may promulgate all necessary rules and regulations for the  
44 administration of this section. Any rule or portion of a rule, as that term is defined in section  
45 536.010, that is created under the authority delegated in this section shall become effective only if it  
46 complies with and is subject to all of the provisions of chapter 536 and, if applicable, section  
47 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the  
48 general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and  
49 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any

1 rule proposed or adopted after the effective date of this section shall be invalid and void.

2 11. The provisions of this section shall expire on January 1, 2038."; and
