FISCAL ANALYSIS

ASSUMPTION

Officials from the **Missouri Department of Agriculture (MDA)** assume this legislation would require the Director of the Missouri Department of Agriculture to travel a 300 mile round trip (MDA office to Kansas City, MO) for 12 meetings. Fiscal impact would include mileage (\$0.55 per mile) and a \$48 meal per diem per day. MDA would incur a total fiscal impact of \$2,556 in FY 2024, \$2,607 in FY 2025 and \$2,659 in FY 2026 to implement the changes in this proposal.

Officials from the **Missouri Senate** anticipates a negative fiscal impact to reimburse 1 senator for travel each month to Missouri Geospatial Advisory Council meetings. In summary, it will cost approximately \$1,689.60 per year.

Oversight notes the new council will consist of 33 members, meet monthly and the members will be reimbursed for actual and necessary expenses. Oversight assumes this proposal will require roughly \$50,000 in expense reimbursement to the 33 members for 12 meetings (33 members x 12 meetings per year x \$122 in expenses (mileage, meals, etc.)). Oversight will reflect the cost to various state funds.

Officials from the **Department of Economic Development**, the **Department of Elementary and Secondary Education**, the **Department of Health and Senior Services**, the **Department of Revenue**, the **Department of Social Services**, the **Missouri House of Representatives**, the **Missouri Department of Transportation**, the **Department of Public Safety – Directors Office** and the **Missouri Highway Patrol** each assume the proposal will have no fiscal impact on their respective organizations.

In response to a previous version, officials from the **Department of Natural Resources**, the **Missouri Department of Conservation**, the **Office of Administration** and the **University of Missouri** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note for those agencies.
