FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Natural Resources** assume the proposal would have no fiscal impact on their organization.

Oversight notes that the above mentioned agency has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note for DNR.

Officials from the **City of Kansas City** assume this proposal could have a negative fiscal impact on Kansas City in an indeterminate amount if it increases the cost of operating or contracting for the operation of a solid waste disposal area because there is a failure to obtain approval from an adjoining municipality.

Oversight assumes this proposal mandates DNR not to issue a permit for the operation of a solid waste disposal area if the respective county has not sought approval from an adjoining municipality for a site that is located within one mile of the adjoining municipality. Oversight assumes there will be no direct fiscal impact to the City of Kansas City for not being able to obtain a permit.

<u>FISCAL IMPACT – Local Government</u>	FY 2024 (10 Mo.)	FY 2025	FY 2026

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
