FISCAL ANALYSIS

ASSUMPTION

§558.031 – Credit for jail time

Officials from the **Department of Corrections (DOC)** state this proposal modifies provisions relating to jail-time credit. The department is unable to project a fiscal impact due to not knowing the amount of “additional” credit that may be awarded.

Oversight notes the provisions of this proposal allow the court to award additional credit toward the service of a sentence of imprisonment by changing the beginning of the credit accrual to after the offense occurred. Therefore, Oversight will reflect a range of \$0 (no additional credit awarded) to DOC’s estimated unknown impact for fiscal note purposes.

Officials from the **Office of the State Courts Administrator**, the **Branson Police Department**, the **Kansas City Police Department**, the **St. Joseph Police Department**, the **St. Louis County Police Department**, and the **Phelps County Sheriff’s Department** assume the proposal will have no fiscal impact on their organization. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses received from state agencies and political subdivisions; however, other circuit courts and local law enforcement were requested to respond to this proposed legislation but did not. A listing of political subdivisions included in the Missouri Legislative Information System (MOLIS) database is available upon request.

FISCAL DESCRIPTION

CREDIT FOR JAIL TIME (Section 558.031)

This bill modifies provisions relating to credit toward the service of a sentence of imprisonment by changing the beginning of the credit accrual to after the offense occurred, as opposed to the current provision of after conviction. This credit must be based upon the certification of the sheriff, and may be supplemented by a certificate of a sheriff from another jurisdiction having held the person on the charge of the offense for which the sentence is ordered.

The court, when pronouncing sentence, may award additional credit for time spent in prison, jail, or custody before the commencement of the sentence for those in which the person was incarcerated, but for whom no detainer or warrant was served.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
