Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 140.170, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 140.170, to read as follows:

140.170. 1. Except for lands described in subsection 7 of this section, the county collector shall cause a copy of the list of delinquent lands and lots to be printed in some newspaper of general circulation published in the county for three consecutive weeks, one insertion weekly, before the sale, the last insertion to be at least fifteen days prior to the fourth Monday in August. **In counties without a newspaper of general circulation, the county collector shall post a copy of the list of delinquent lands and lots on the county website or in the county courthouse in an area viewable by the public for three consecutive weeks before the sale.**

21 on his or her record a copy of the notice and certify on his or her record immediately
22 following the notice the name of the newspaper of the county in which the notice was printed

49 any commissioned land survey deemed necessary by the county collector shall be taxed as
