208.009. 1. No alien unlawfully present in the United States shall receive any state or local public benefit, except for state or local public benefits that may be offered under 8 U.S.C. 1621(b), **as amended**. Nothing in this section shall be construed to prohibit the rendering of emergency medical care, prenatal care, services offering alternatives to abortion, emergency assistance, or legal assistance to any person.

2. As used in this section, "public benefit" means any grant, contract, or loan provided by an agency of state or local government; or any retirement, welfare, health, disability, housing, or food assistance benefit under which payments, assistance, credits, or reduced rates or fees are provided. The term "public benefit" shall not include postsecondary education public benefits [~~as defined in section 173.1110~~], any municipal permit, or contracts or agreements between public utility providers and their customers or unemployment benefits payable under chapter 288. The unemployment compensation program shall verify the lawful presence of an alien for the purpose of determining eligibility for benefits in accordance with its own procedures.

3. In addition to providing proof of other eligibility requirements, at the time of application for any state or local public benefit, an applicant who is eighteen years of age or older shall provide affirmative proof that the applicant is a citizen or a permanent resident of the United States or is lawfully present in the United States. Such affirmative proof shall include documentary evidence recognized by the department of revenue when processing an application for a driver's license, a Missouri driver's license, as well as any document issued by the federal government that confirms an alien's lawful presence in the United States. In processing applications for public benefits, an employee of an agency of state or local government shall not inquire about the legal status of a custodial parent or guardian applying for a public benefit on behalf of ~~[his or her]~~ **the parent's or guardian's** dependent child who is a citizen or permanent resident of the United States.

4. An applicant who cannot provide the proof required under this section at the time of application may alternatively sign an affidavit under oath, attesting to either United States citizenship or classification by the United States as an alien lawfully admitted for permanent residence, in order to receive temporary benefits or a temporary identification document as provided in this section. The affidavit shall be on or consistent with forms prepared by the state or local government agency administering the state or local public benefits and shall include the applicant's Social Security number or any applicable federal identification number and an explanation of the penalties under state law for obtaining public assistance benefits fraudulently.

38 lawfully present in the United States, whichever is earlier; or

39 (2) Indefinitely if the applicant provides a copy of a completed application for a birth  
40 certificate that is pending in Missouri or some other state. An extension granted under this  
41 subsection shall terminate upon the applicant's receipt of a birth certificate or a determination  
42 that a birth certificate does not exist because the applicant is not a United States citizen.

43 6. An applicant who is an alien shall not receive any state or local public benefit  
44 unless the alien's lawful presence in the United States is first verified by the federal  
45 government. State and local agencies administering public benefits in this state shall  
46 cooperate with the United States Department of Homeland Security in achieving verification  
47 of an alien's lawful presence in the United States in furtherance of this section. The system  
48 utilized may include the Systematic Alien Verification for Entitlements Program operated by  
49 the United States Department of Homeland Security. After an applicant's lawful presence in  
50 the United States has been verified through the Systematic Alien Verification for Entitlements  
51 Program, no additional verification is required within the same agency of the state or local  
52 government.

53 7. The provisions of this section shall not be construed to require any nonprofit  
54 organization duly registered with the Internal Revenue Service to enforce the provisions of  
55 this section, nor does it prohibit such an organization from providing aid.

56 8. Any agency that administers public benefits shall provide assistance in obtaining  
57 appropriate documentation to persons applying for public benefits who sign the affidavit  
58 required by subsection 4 of this section stating they are eligible for such benefits but lack the
