### AN ACT

To repeal sections 170.011 and 170.345, RSMo, and to enact in lieu thereof two new sections relating to civics education.

---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Sections 170.011 and 170.345, RSMo, are repealed and two new sections  
2 enacted in lieu thereof, to be known as sections 170.011 and 170.345, to read as follows:

170.011. 1. Regular courses of instruction in the Constitution of the United States  
2 and of the state of Missouri and in American history and institutions shall be given in all  
3 public and private schools in the state of Missouri, except proprietary schools, and shall begin  
4 not later than the seventh grade **for all school years ending before July 1, 2024, and not**  
5 **later than the sixth grade for the 2024-25 school year and all subsequent school years**  
6 and continue in high school to an extent determined by the state commissioner of education,  
7 and shall continue in college and university courses to an extent determined by the state  
8 commissioner of higher education. In the 1990-91 school year and each year thereafter, local  
9 school districts maintaining high schools shall comply with the provisions of this section by  
10 offering in grade nine, ten, eleven, or twelve a course of instruction in the institutions,  
11 branches and functions of the government of the state of Missouri, including local  
12 governments, and of the government of the United States, and in the electoral process. A  
13 local school district maintaining such a high school shall require that prior to the completion  
14 of the twelfth grade each pupil who receives a high school diploma or certificate of  
15 graduation on or after January 1, 1994, shall satisfactorily complete such a course of study.  
16 Such course shall be of at least one semester in length and may be two semesters in length.  
17 The department of elementary and secondary education may provide assistance in developing

18 such a course if the district requests assistance. A school district may elect to waive the  
19 requirements of this subsection for any student who transfers from outside the state to a  
20 Missouri high school if the student can furnish documentation deemed acceptable by the  
21 school district of the student's successful completion in any year from the ninth through the  
22 twelfth grade of a course of instruction in the institutions, branches, and functions of state  
23 government, including local governments, and of the government of the United States, and in  
24 the electoral process.

25         2. American history courses at the elementary and secondary levels shall include in  
26 their proper time-line sequence specific referrals to the details and events of the racial  
27 equality movement that have caused major changes in United States and Missouri laws and  
28 attitudes.

29         3. No pupil shall receive a certificate of graduation from any public or private school  
30 other than private trade schools unless he or she has satisfactorily passed an examination on  
31 the provisions and principles of the Constitution of the United States and of the state of  
32 Missouri, and in American history, American institutions, and American civics. A school  
33 district may elect to waive the requirements of this subsection for any student who transfers  
34 from outside the state to a Missouri high school if the student can furnish documentation  
35 deemed acceptable by the school district of the student's successful completion in any year  
36 from the ninth through the twelfth grade of a course of instruction in the institutions,  
37 branches, and functions of state government, including local governments, and of the  
38 government of the United States, and in the electoral process. A student of a college or  
39 university, who, after having completed a course of instruction prescribed in this section and  
40 successfully passed an examination on the United States Constitution, and in American  
41 history and American institutions required hereby, transfers to another college or university, is  
42 not required to complete another such course or pass another such examination as a condition  
43 precedent to his graduation from the college or university.

44         4. In the 1990-91 school year and each year thereafter, each school district  
45 maintaining a high school may annually nominate to the state board of education a student  
46 who has demonstrated knowledge of the principles of government and citizenship through  
47 academic achievement, participation in extracurricular activities, and service to the  
48 community. Annually, the state board of education shall select fifteen students from those  
49 nominated by the local school districts and shall recognize and award them for their academic  
50 achievement, participation and service.

51         5. The provisions of this section shall not apply to students from foreign countries  
52 who are enrolled in public or private high schools in Missouri, if such students are foreign  
53 exchange students sponsored by a national organization recognized by the department of  
54 elementary and secondary education.

170.345. 1. This section shall be known as the "Missouri Civics Education Initiative".

2. (1) Any student entering the ninth grade after July 1, 2017, **but before July 1, 2024**, who is attending any public, charter, or private school, except private trade schools, as a condition of high school graduation shall pass an examination on the provisions and principles of American civics.

(2) **For the 2024-25 school year and all subsequent school years, any student entering the sixth grade who is attending any public, charter, or private school, except private trade schools, as a condition of high school graduation shall pass an examination on the provisions and principles of American civics.**

3. The examination shall consist of one hundred questions similar to the one hundred questions used by the United States Citizenship and Immigration Services (USCIS) that are administered to applicants for United States citizenship.

4. The examination required under this section may be included in any other examination that is administered on the provisions and principles of the Constitution of the United States and of the state of Missouri, and in American history and American institutions, as required in subsection 3 of section 170.011.

5. School districts may use any online test to comply with the provisions of this section.

6. Each school district shall adopt a policy to permit the waiver of the requirements of this section for any student with a disability if recommended by the student's IEP committee. For purposes of this subsection, "IEP" means individualized education program.
