

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

FOURTEENTH DAY, MONDAY, JANUARY 30, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Mike Haffner.

Lord, as we gather here, in this historic chamber, we praise You as the Lord of all creation.

In Your Word, in the book of Colossians, You say, *“For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him. And he is before all things, and in him all things hold together.”* (Colossians 1:16–17)

We praise You, Lord, as the God of creation and the sovereign God who controls all things and holds all things together by the power of Your mighty hand. So as we struggle, whether it be today or tomorrow, we know it is for our good and, ultimately, that Your glory would be revealed. Praise be unto You.

My prayer on this day, Lord, is that each of us would find comfort in Your glory, and we pray these things in Jesus’ name.

And the House says, “Amen.”

The Pledge of Allegiance to the flag was recited.

The Journal of the thirteenth day was approved as printed by the following vote:

MESSAGES FROM THE GOVERNOR

The following proclamation was received from His Excellency, Governor Michael L. Parson.

GOVERNOR'S PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly “whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in “equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly “when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based.”

NOW THEREFORE, I, Michael L. Parson, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV, Section 27, do hereby make the following notification to the One Hundred Second General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that through the second quarter of fiscal year 2023, the rate of expenditure for each of the appropriation lines in the fiscal year 2023 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2023 budget.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, this 26th day of January, 2023.
