

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

FORTY-NINTH DAY, WEDNESDAY, APRIL 5, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

“You will see Me and find Me; when you seek Me with all your heart.” (Jeremiah 29:13)

O Lord, our God, who is constantly calling upon us to walk in Your ways, to know Your truth and live Your life, grant that the spirit of our prayer this morning may be acceptable to You and our hearts be in harmony with Your holy will.

Help us to carefully consider our pilgrimage upon this earth, to measure the deeds of the past by our devotion to the present and our dedication for the future. When we think of what we could have done had we given ourselves wholly to You, we feel humble and are heartily sorry for our misdoings and miscalculations.

In reverence we come to You again and lay our supplications before You. Help us to right the wrongs we have done to others and give us grace to forgive those who wrong us. Enlighten our minds with truth, enlarge our hearts with love and enlist us in the struggle for cooperation and understanding in our state of Missouri.

Today, may our prayer fly to You on eagle's wings!

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Kaydence Rose Henry, Charlie Tvrdy, Luke Tvrdy, Davey Tvrdy, Haydn Fong, Connor Hinkle, Charles Jackson, Jackson Lamb, Brady Legenza, Reid Shaffer, Arlo Spallo, Terrence Baldwin, Theodore Boesen, Sullivan Caldwell, Benjamin Curry, Frederick Dreiling, George Ebberts.

The Journal of the forty-eighth day was approved as printed.

HB 102, HCS HB 188, HB 212, HCS HB 271, HB 436, HCS HB 714, HB 999, HB 349 and HCS HB 88 were placed on the Informal Calendar.

HCS HBs 119, 372, 382, 420, 550 & 693, relating to offenders in custody, was taken up by Representative Perkins.

On motion of Representative Perkins, the title of **HCS HBs 119, 372, 382, 420, 550 & 693** was agreed to.

Representative Bosley offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for House Bill Nos. 119, 372, 382, 420, 550 & 693, Page 8, Section 221.108, Line 9, by inserting after said section and line the following:

"506.400. 1. As used in this section, "claimant" means a person convicted and subsequently imprisoned for one or more offenses that such person did not commit.

2. (1) The claimant shall establish the following by a preponderance of evidence:

(a) The claimant was convicted of a felony offense and subsequently imprisoned;

(b) The claimant's judgment of conviction was reversed or vacated and either the charges were dismissed or on retrial the claimant was found to be not guilty;

(c) The claimant did not commit the offense or offenses for which the claimant was convicted and was not an accessory or accomplice to the acts that were the basis of the conviction and resulted in a reversal or vacation of the judgment of conviction, dismissal of the charges, or finding of not guilty on retrial; and

(d) The claimant did not commit or suborn perjury, fabricate evidence, or by the claimant's own conduct cause or bring about the conviction. Neither a confession or admission later found to be false nor a guilty plea shall constitute committing or suborning perjury, fabricating evidence, or causing or bringing about the conviction under this subsection.

(2) The court, in exercising its discretion as permitted by law regarding the weight and admissibility of evidence submitted under this section, may, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence, or other factors not caused by such persons or those acting on their behalf.

3. If the court finds that the claimant is wrongfully convicted, it shall enter a certificate of innocence finding that the claimant was innocent of all offenses for which the claimant was mistakenly convicted. The clerk of the court shall send a certified copy of the certificate of innocence and the judgment entry to the attorney general for payment under section 105.711.

4. Upon entry of a certificate of innocence, the claimant shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records or recordations of his or her arrest, plea, trial, or conviction. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea, or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever, and no such inquiry shall be made for information relating to an expungement under this subsection.

5. Upon entry of a certificate of innocence, the court shall order the expungement and destruction of the associated biological samples authorized by and given to the Missouri state highway patrol. The order shall state the information required to be stated in a petition to expunge and destroy the samples and profile

record and shall direct the Missouri state highway patrol to expunge and destroy such samples and profile record. The clerk of the court shall send a certified copy of the order to the Missouri state highway patrol, which shall carry out the order and provide confirmation of such action to the court. Nothing in this subsection shall require the Missouri state highway patrol to expunge and destroy any sample or profile record associated with the claimant that must be retained by state statute.

6. The decision to grant or deny a certificate of innocence shall not have a res judicata effect on any other proceedings."; and

Further amend said bill, Page 16, Section 589.565, Line 19, by inserting after said section and line the following:

"Section 1. 1. For purposes of this section, the term "exoneree" means a person who was convicted of an offense and later officially declared innocent of that offense or relieved of all legal consequences of the conviction because evidence of innocence that was not presented at trial required reconsideration of the case.

2. The department of corrections shall develop a policy and procedures outlining for exonerees how to obtain a birth certificate, Social Security card, and state identification prior to release from a correctional center. The policy shall be made available to all exonerees, regardless of the method by which an exoneree was exonerated. If an exoneree does not have access to his or her birth certificate, Social Security card, or state identification upon release, the department shall assist such exoneree in obtaining the documents prior to release.

3. The department shall be required to provide an exoneree, upon his or her release from a correctional facility, with the same services the department is required to provide an offender upon release from a correctional facility."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Bosley, **House Amendment No. 1** was adopted.

Representative Anderson offered **House Amendment No. 2**.

House Amendment No. 2

AMEND House Committee Substitute for House Bill Nos. 119, 372, 382, 420, 550 & 693, Page 5, Section 217.670, Line 28, by inserting after all of said line and section the following:

"217.690. 1. All releases or paroles shall issue upon order of the parole board, duly adopted.

2. Before ordering the parole of any offender, the parole board shall conduct a validated risk and needs assessment and evaluate the case under the rules governing parole that are promulgated by the parole board. The parole board shall then have the offender appear before a hearing panel and shall conduct a personal interview with him or her, unless waived by the offender, or if the guidelines indicate the offender may be paroled without need for an interview. The guidelines and rules shall not allow for the waiver of a hearing if a victim requests a hearing. The appearance or presence may occur by means of a videoconference at the discretion of the parole board. A parole may be ordered for the best interest of society when there is a reasonable probability, based on the risk assessment and indicators of release readiness, that the person can be supervised under parole supervision and successfully reintegrated into the community, not as an award of clemency; it shall not be considered a reduction of sentence or a pardon. Every offender while on parole shall remain in the legal custody of the department but shall be subject to the orders of the parole board.

3. The division of probation and parole has discretionary authority to require the payment of a fee, not to exceed sixty dollars per month, from every offender placed under division supervision on probation, parole, or conditional release, to waive all or part of any fee, to sanction offenders for willful nonpayment of fees, and to contract with a private entity for fee collections services. **No such fee shall be levied or accrue for the first sixty days the offender is on parole or conditional release.** All fees collected shall be deposited in the inmate fund established in section 217.430. Fees collected may be used to pay the costs of contracted collections services. The

fees collected may otherwise be used to provide community corrections and intervention services for offenders. Such services include substance abuse assessment and treatment, mental health assessment and treatment, electronic monitoring services, residential facilities services, employment placement services, and other offender community corrections or intervention services designated by the division of probation and parole to assist offenders to successfully complete probation, parole, or conditional release. The division of probation and parole shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to sanctioning offenders and with respect to establishing, waiving, collecting, and using fees.

4. The parole board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to the eligibility of offenders for parole, the conduct of parole hearings or conditions to be imposed upon paroled offenders. Whenever an order for parole is issued it shall recite the conditions of such parole.

5. When considering parole for an offender with consecutive sentences, the minimum term for eligibility for parole shall be calculated by adding the minimum terms for parole eligibility for each of the consecutive sentences, except the minimum term for parole eligibility shall not exceed the minimum term for parole eligibility for an ordinary life sentence.

6. Any offender sentenced to a term of imprisonment amounting to fifteen years or more or multiple terms of imprisonment that, taken together, amount to fifteen or more years who was under eighteen years of age at the time of the commission of the offense or offenses may be eligible for parole after serving fifteen years of incarceration, regardless of whether the case is final for the purposes of appeal, and may be eligible for reconsideration hearings in accordance with regulations promulgated by the parole board.

7. The provisions of subsection 6 of this section shall not apply to an offender found guilty of murder in the first degree or capital murder who was under eighteen years of age when the offender committed the offense or offenses who may be found ineligible for parole or whose parole eligibility may be controlled by section 558.047 or 565.033.

8. Any offender under a sentence for first degree murder who has been denied release on parole after a parole hearing shall not be eligible for another parole hearing until at least three years from the month of the parole denial; however, this subsection shall not prevent a release pursuant to subsection 4 of section 558.011.

9. A victim who has requested an opportunity to be heard shall receive notice that the parole board is conducting an assessment of the offender's risk and readiness for release and that the victim's input will be particularly helpful when it pertains to safety concerns and specific protective measures that may be beneficial to the victim should the offender be granted release.

10. Parole hearings shall, at a minimum, contain the following procedures:

(1) The victim or person representing the victim who attends a hearing may be accompanied by one other person;

(2) The victim or person representing the victim who attends a hearing shall have the option of giving testimony in the presence of the inmate or to the hearing panel without the inmate being present;

(3) The victim or person representing the victim may call or write the parole board rather than attend the hearing;

(4) The victim or person representing the victim may have a personal meeting with a parole board member at the parole board's central office;

(5) The judge, prosecuting attorney or circuit attorney and a representative of the local law enforcement agency investigating the crime shall be allowed to attend the hearing or provide information to the hearing panel in regard to the parole consideration; and

(6) The parole board shall evaluate information listed in the juvenile sex offender registry pursuant to section 211.425, provided the offender is between the ages of seventeen and twenty-one, as it impacts the safety of the community.

11. The parole board shall notify any person of the results of a parole eligibility hearing if the person indicates to the parole board a desire to be notified.

12. The parole board may, at its discretion, require any offender seeking parole to meet certain conditions during the term of that parole so long as said conditions are not illegal or impossible for the offender to perform. These conditions may include an amount of restitution to the state for the cost of that offender's incarceration.

13. Special parole conditions shall be responsive to the assessed risk and needs of the offender or the need for extraordinary supervision, such as electronic monitoring. The parole board shall adopt rules to minimize the conditions placed on low-risk cases, to frontload conditions upon release, and to require the modification and reduction of conditions based on the person's continuing stability in the community. Parole board rules shall permit parole conditions to be modified by parole officers with review and approval by supervisors.

14. Nothing contained in this section shall be construed to require the release of an offender on parole nor to reduce the sentence of an offender heretofore committed.

15. Beginning January 1, 2001, the parole board shall not order a parole unless the offender has obtained a high school diploma or its equivalent, or unless the parole board is satisfied that the offender, while committed to the custody of the department, has made an honest good-faith effort to obtain a high school diploma or its equivalent; provided that the director may waive this requirement by certifying in writing to the parole board that the offender has actively participated in mandatory education programs or is academically unable to obtain a high school diploma or its equivalent.

16. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Anderson, **House Amendment No. 2** was adopted.

Representative Dinkins offered **House Amendment No. 3**.

House Amendment No. 3

AMEND House Committee Substitute for House Bill Nos. 119, 372, 382, 420, 550 & 693, Page 8, Section 221.108, Line 9, by inserting after all of said section and line the following:

"334.104. 1. A physician may enter into collaborative practice arrangements with registered professional nurses. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the registered professional nurse and is consistent with that nurse's skill, training and competence.

2. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer, dispense or prescribe drugs and provide treatment if the registered professional nurse is an advanced practice registered nurse as defined in subdivision (2) of section 335.016. Collaborative practice arrangements may delegate to an advanced practice registered nurse, as defined in section 335.016, the authority to administer, dispense, or prescribe controlled substances listed in Schedules III, IV, and V of section 195.017, and Schedule II - hydrocodone; except that, the collaborative practice arrangement shall not delegate the authority to administer any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone for the purpose of inducing sedation or general anesthesia for therapeutic, diagnostic, or surgical procedures. Schedule III narcotic controlled substance and Schedule II - hydrocodone prescriptions shall be limited to a one hundred twenty-hour supply without refill. Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services. An advanced practice registered nurse may prescribe buprenorphine for up to a thirty-day supply without refill for patients receiving medication-assisted treatment for substance use disorders under the direction of the collaborating physician.

3. The written collaborative practice arrangement shall contain at least the following provisions:

- (1) Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the advanced practice registered nurse;
- (2) A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the advanced practice registered nurse to prescribe;
- (3) A requirement that there shall be posted at every office where the advanced practice registered nurse is authorized to prescribe, in collaboration with a physician, a prominently displayed disclosure statement informing patients that they may be seen by an advanced practice registered nurse and have the right to see the collaborating physician;

(4) All specialty or board certifications of the collaborating physician and all certifications of the advanced practice registered nurse;

(5) The manner of collaboration between the collaborating physician and the advanced practice registered nurse, including how the collaborating physician and the advanced practice registered nurse will:

(a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;

(b) Maintain geographic proximity, except **as specified in this paragraph. The following provisions shall apply with respect to this requirement:**

a. Until August 28, 2025, an advanced practice registered nurse providing services in a correctional center, as defined in section 217.010, and his or her collaborating physician shall satisfy the geographic proximity requirement if they practice within two hundred miles by road of one another;

b. The collaborative practice arrangement may allow for geographic proximity to be waived for a maximum of twenty-eight days per calendar year for rural health clinics as defined by P.L. 95-210 (**42 U.S.C. Section 1395x, as amended**), as long as the collaborative practice arrangement includes alternative plans as required in paragraph (c) of this subdivision. This exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics where the main location of the hospital sponsor is greater than fifty miles from the clinic[-]; **and**

c. The collaborating physician is required to maintain documentation related to this requirement and to present it to the state board of registration for the healing arts when requested; and

(c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;

(6) A description of the advanced practice registered nurse's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the nurse to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence;

(7) A list of all other written practice agreements of the collaborating physician and the advanced practice registered nurse;

(8) The duration of the written practice agreement between the collaborating physician and the advanced practice registered nurse;

(9) A description of the time and manner of the collaborating physician's review of the advanced practice registered nurse's delivery of health care services. The description shall include provisions that the advanced practice registered nurse shall submit a minimum of ten percent of the charts documenting the advanced practice registered nurse's delivery of health care services to the collaborating physician for review by the collaborating physician, or any other physician designated in the collaborative practice arrangement, every fourteen days; and

(10) The collaborating physician, or any other physician designated in the collaborative practice arrangement, shall review every fourteen days a minimum of twenty percent of the charts in which the advanced practice registered nurse prescribes controlled substances. The charts reviewed under this subdivision may be counted in the number of charts required to be reviewed under subdivision (9) of this subsection.

4. The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036 may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. **Any rules relating to geographic proximity shall allow a collaborating physician and a collaborating advanced practice registered nurse to practice within two hundred miles by road of one another until August 28, 2025, if the nurse is providing services in a correctional center, as defined in section 217.010.** Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his **or her** medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, including collaborative practice agreements delegating the authority to prescribe controlled substances, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than six full-time equivalent advanced practice registered nurses, full-time equivalent licensed physician assistants, or full-time equivalent assistant physicians, or any combination thereof. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197 or population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008, or to a certified registered nurse anesthetist providing anesthesia services under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed as set out in subsection 7 of this section.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present. This limitation shall not apply to collaborative arrangements of providers of population-based public health services as defined by 20 CSR 2150-5.100 as of April 30, 2008.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020 if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician."; and

- (14) Children who have attained six years of age but have not attained nineteen years of age. For children who have attained six years of age but have not attained nineteen years of age, the family support division shall use an income assessment methodology which provides for eligibility when family income is equal to or less than equal to one hundred percent of the federal poverty level established by the Department of Health and Human Services, or its successor agency. - (17) A child born to a woman eligible for and receiving MO HealthNet benefits under this section on the date of the child's birth shall be deemed to have applied for MO HealthNet benefits and to have been found eligible for such assistance under such plan on the date of such birth and to remain eligible for such assistance for a period of time determined in accordance with applicable federal and state law and regulations so long as the child is a member of the woman's household and either the woman remains eligible for such assistance or for children born on or after January 1, 1991, the woman would remain eligible for such assistance if she were still pregnant. Upon notification of such child's birth, the family support division shall assign a MO HealthNet eligibility identification number to the child so that claims may be submitted and paid under such child's identification number;
- (18) Pregnant women and children eligible for MO HealthNet benefits pursuant to subdivision (12), (13) or (14) of this subsection shall not as a condition of eligibility for MO HealthNet benefits be required to apply for aid to families with dependent children. The family support division shall utilize an application for eligibility for such persons which eliminates information requirements other than those necessary to apply for MO HealthNet benefits. The division shall provide such application forms to applicants whose preliminary income information indicates that they are ineligible for aid to families with dependent children. Applicants for MO HealthNet benefits under subdivision (12), (13) or (14) of this subsection shall be informed of the aid to families with dependent children program and that they are entitled to apply for such benefits. Any forms utilized by the family support division for assessing eligibility under this chapter shall be as simple as practicable;

(19) Subject to appropriations necessary to recruit and train such staff, the family support division shall provide one or more full-time, permanent eligibility specialists to process applications for MO HealthNet benefits at the site of a health care provider, if the health care provider requests the placement of such eligibility specialists and reimburses the division for the expenses including but not limited to salaries, benefits, travel, training, telephone, supplies, and equipment of such eligibility specialists. The division may provide a health care provider with a part-time or temporary eligibility specialist at the site of a health care provider if the health care provider requests the placement of such an eligibility specialist and reimburses the division for the expenses, including but not limited to the salary, benefits, travel, training, telephone, supplies, and equipment, of such an eligibility specialist. The division may seek to employ such eligibility specialists who are otherwise qualified for such positions and who are current or former welfare participants. The division may consider training such current or former welfare participants as eligibility specialists for this program;

(20) Pregnant women who are eligible for, have applied for and have received MO HealthNet benefits under subdivision (2), (10), (11) or (12) of this subsection shall continue to be considered eligible for all pregnancy-related and postpartum MO HealthNet benefits provided under section 208.152 until the end of the sixty-day period beginning on the last day of their pregnancy. Pregnant women receiving mental health treatment for postpartum depression or related mental health conditions within sixty days of giving birth shall, subject to appropriations and any necessary federal approval, be eligible for MO HealthNet benefits for mental health services for the treatment of postpartum depression and related mental health conditions for up to twelve additional months. Pregnant women receiving substance abuse treatment within sixty days of giving birth shall, subject to appropriations and any necessary federal approval, be eligible for MO HealthNet benefits for substance abuse treatment and mental health services for the treatment of substance abuse for no more than twelve additional months, as long as the woman remains adherent with treatment. The department of mental health and the department of social services shall seek any necessary waivers or state plan amendments from the Centers for Medicare and Medicaid Services and shall develop rules relating to treatment plan adherence. No later than fifteen months after receiving any necessary waiver, the department of mental health and the department of social services shall report to the house of representatives budget committee and the senate appropriations committee on the compliance with federal cost neutrality requirements;

(21) Case management services for pregnant women and young children at risk shall be a covered service. To the greatest extent possible, and in compliance with federal law and regulations, the department of health and senior services shall provide case management services to pregnant women by contract or agreement with the department of social services through local health departments organized under the provisions of chapter 192 or chapter 205 or a city health department operated under a city charter or a combined city-county health department or other department of health and senior services designees. To the greatest extent possible the department of social services and the department of health and senior services shall mutually coordinate all services for pregnant women and children with the crippled children's program, the prevention of intellectual disability and developmental disability program and the prenatal care program administered by the department of health and senior services. The department of social services shall by regulation establish the methodology for reimbursement for case management services provided by the department of health and senior services. For purposes of this section, the term "case management" shall mean those activities of local public health personnel to identify prospective MO HealthNet-eligible high-risk mothers and enroll them in the state's MO HealthNet program, refer them to local physicians or local health departments who provide prenatal care under physician protocol and who participate in the MO HealthNet program for prenatal care and to ensure that said high-risk mothers receive support from all private and public programs for which they are eligible and shall not include involvement in any MO HealthNet prepaid, case-managed programs;

(22) By January 1, 1988, the department of social services and the department of health and senior services shall study all significant aspects of presumptive eligibility for pregnant women and submit a joint report on the subject, including projected costs and the time needed for implementation, to the general assembly. The department of social services, at the direction of the general assembly, may implement presumptive eligibility by regulation promulgated pursuant to chapter 207;

(24) (a) All persons who would be determined to be eligible for old age assistance benefits under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. Section 1396a(f), or less restrictive methodologies as contained in the MO HealthNet state plan as of January 1, 2005; except that, on or after July 1, 2005, less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a(r)(2), may be used to change the income limit if authorized by annual appropriation;

(b) All persons who would be determined to be eligible for aid to the blind benefits under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. Section 1396a(f), or less restrictive methodologies as contained in the MO HealthNet state plan as of January 1, 2005, except that less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a(r)(2), shall be used to raise the income limit to one hundred percent of the federal poverty level;

(c) All persons who would be determined to be eligible for permanent and total disability benefits under the eligibility standards in effect December 31, 1973, as authorized by 42 U.S.C. Section 1396a(f); or less restrictive methodologies as contained in the MO HealthNet state plan as of January 1, 2005; except that, on or after July 1, 2005, less restrictive income methodologies, as authorized in 42 U.S.C. Section 1396a(r)(2), may be used to change the income limit if authorized by annual appropriations. Eligibility standards for permanent and total disability benefits shall not be limited by age;

(25) Persons who have been diagnosed with breast or cervical cancer and who are eligible for coverage pursuant to 42 U.S.C. Section 1396a(a)(10)(A)(ii)(XVIII). Such persons shall be eligible during a period of presumptive eligibility in accordance with 42 U.S.C. Section 1396r-1;

(26) Persons who are in foster care under the responsibility of the state of Missouri on the date such persons attained the age of eighteen years, or at any time during the thirty-day period preceding their eighteenth birthday, or persons who received foster care for at least six months in another state, are residing in Missouri, and are at least eighteen years of age, without regard to income or assets, if such persons:

(a) Are under twenty-six years of age;

(b) Are not eligible for coverage under another mandatory coverage group; and

(c) Were covered by Medicaid while they were in foster care;

(27) Any homeless child or homeless youth, as those terms are defined in section 167.020, subject to approval of a state plan amendment by the Centers for Medicare and Medicaid Services;

(28) (a) Subject to approval of any necessary state plan amendments or waivers, beginning on the effective date of this act, pregnant women who are eligible for, have applied for, and have received MO HealthNet benefits under subdivision (2), (10), (11), or (12) of this subsection shall be eligible for medical assistance during the pregnancy and during the twelve-month period that begins on the last day of the woman's pregnancy and ends on the last day of the month in which such twelve-month period ends, consistent with the provisions of 42 U.S.C. Section 1396a(e)(16). The department shall submit a state plan amendment to the Centers for Medicare and Medicaid Services when the number of ineligible MO HealthNet participants removed from the program in 2023 pursuant to section 208.239 exceeds the projected number of beneficiaries likely to enroll in benefits in 2023 under this subdivision and subdivision (2) of subsection 6 of section 208.662, as determined by the department, by at least one hundred individuals;

(b) The provisions of this subdivision shall remain in effect for any period of time during which the federal authority under 42 U.S.C. Section 1396a(e)(16), as amended, or any successor statutes or implementing regulations, is in effect.

2. Rules and regulations to implement this section shall be promulgated in accordance with chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.

3. After December 31, 1973, and before April 1, 1990, any family eligible for assistance pursuant to 42 U.S.C. Section 601, et seq., as amended, in at least three of the last six months immediately preceding the month in which such family became ineligible for such assistance because of increased income from employment shall, while a member of such family is employed, remain eligible for MO HealthNet benefits for four calendar months following the month in which such family would otherwise be determined to be ineligible for such assistance because of income and resource limitation. After April 1, 1990, any family receiving aid pursuant to 42 U.S.C. Section 601, et seq., as amended, in at least three of the six months immediately preceding the month in which such family becomes ineligible for such aid, because of hours of employment or income from employment of the caretaker relative, shall remain eligible for MO HealthNet benefits for six calendar months following the month of such ineligibility as long as such family includes a child as provided in 42 U.S.C. Section 1396r-6. Each family which has received such medical assistance during the entire six-month period described in this section and which meets reporting requirements and income tests established by the division and continues to include a child as

provided in 42 U.S.C. Section 1396r-6 shall receive MO HealthNet benefits without fee for an additional six months. The MO HealthNet division may provide by rule and as authorized by annual appropriation the scope of MO HealthNet coverage to be granted to such families.

4. When any individual has been determined to be eligible for MO HealthNet benefits, such medical assistance will be made available to him or her for care and services furnished in or after the third month before the month in which he made application for such assistance if such individual was, or upon application would have been, eligible for such assistance at the time such care and services were furnished; provided, further, that such medical expenses remain unpaid.

5. The department of social services may apply to the federal Department of Health and Human Services for a MO HealthNet waiver amendment to the Section 1115 demonstration waiver or for any additional MO HealthNet waivers necessary not to exceed one million dollars in additional costs to the state, unless subject to appropriation or directed by statute, but in no event shall such waiver applications or amendments seek to waive the services of a rural health clinic or a federally qualified health center as defined in 42 U.S.C. Section 1396d(1)(1) and (2) or the payment requirements for such clinics and centers as provided in 42 U.S.C. Section 1396a(a)(15) and 1396a(bb) unless such waiver application is approved by the oversight committee created in section 208.955. A request for such a waiver so submitted shall only become effective by executive order not sooner than ninety days after the final adjournment of the session of the general assembly to which it is submitted, unless it is disapproved within sixty days of its submission to a regular session by a senate or house resolution adopted by a majority vote of the respective elected members thereof, unless the request for such a waiver is made subject to appropriation or directed by statute.

6. Notwithstanding any other provision of law to the contrary, in any given fiscal year, any persons made eligible for MO HealthNet benefits under subdivisions (1) to (22) of subsection 1 of this section shall only be eligible if annual appropriations are made for such eligibility. This subsection shall not apply to classes of individuals listed in 42 U.S.C. Section 1396a(a)(10)(A)(i).

7. (1) Notwithstanding any provision of law to the contrary, a military service member, or an immediate family member residing with such military service member, who is a legal resident of this state and is eligible for MO HealthNet developmental disability services, shall have his or her eligibility for MO HealthNet developmental disability services temporarily suspended for any period of time during which such person temporarily resides outside of this state for reasons relating to military service, but shall have his or her eligibility immediately restored upon returning to this state to reside.

(2) Notwithstanding any provision of law to the contrary, if a military service member, or an immediate family member residing with such military service member, is not a legal resident of this state, but would otherwise be eligible for MO HealthNet developmental disability services, such individual shall be deemed eligible for MO HealthNet developmental disability services for the duration of any time in which such individual is temporarily present in this state for reasons relating to military service.

208.186. The state shall not provide payments, add-ons, or reimbursements to health care providers through MO HealthNet for medical assistance services provided to persons who do not reside in this state, as determined under 42 CFR 435.403, or any amendments or successor regulations thereto.

208.239. The department of social services shall resume annual MO HealthNet eligibility redeterminations, renewals, and postenrollment verifications no later than thirty days after the effective date of this act."; and

Further amend said bill, Page 6, Section 208.247, Line 42, by inserting after all of said section and line the following:

"208.662. 1. There is hereby established within the department of social services the "Show-Me Healthy Babies Program" as a separate children's health insurance program (CHIP) for any low-income unborn child. The program shall be established under the authority of Title XXI of the federal Social Security Act, the State Children's Health Insurance Program, as amended, and 42 CFR 457.1.

2. For an unborn child to be enrolled in the show-me healthy babies program, his or her mother shall not be eligible for coverage under Title XIX of the federal Social Security Act, the Medicaid program, as it is administered by the state, and shall not have access to affordable employer-subsidized health care insurance or other affordable health care coverage that includes coverage for the unborn child. In addition, the unborn child shall be in a family with income eligibility of no more than three hundred percent of the federal poverty level, or the equivalent

modified adjusted gross income, unless the income eligibility is set lower by the general assembly through appropriations. In calculating family size as it relates to income eligibility, the family shall include, in addition to other family members, the unborn child, or in the case of a mother with a multiple pregnancy, all unborn children.

3. Coverage for an unborn child enrolled in the show-me healthy babies program shall include all prenatal care and pregnancy-related services that benefit the health of the unborn child and that promote healthy labor, delivery, and birth. Coverage need not include services that are solely for the benefit of the pregnant mother, that are unrelated to maintaining or promoting a healthy pregnancy, and that provide no benefit to the unborn child. However, the department may include pregnancy-related assistance as defined in 42 U.S.C. Section 1397ll.

4. There shall be no waiting period before an unborn child may be enrolled in the show-me healthy babies program. In accordance with the definition of child in 42 CFR 457.10, coverage shall include the period from conception to birth. The department shall develop a presumptive eligibility procedure for enrolling an unborn child. There shall be verification of the pregnancy.

5. Coverage for the child shall continue for up to one year after birth, unless otherwise prohibited by law or unless otherwise limited by the general assembly through appropriations.

6. (1) Pregnancy-related and postpartum coverage for the mother shall begin on the day the pregnancy ends and extend through the last day of the month that includes the sixtieth day after the pregnancy ends, unless otherwise prohibited by law or unless otherwise limited by the general assembly through appropriations. The department may include pregnancy-related assistance as defined in 42 U.S.C. Section 1397ll.

(2) (a) Subject to approval of any necessary state plan amendments or waivers, beginning on the effective date of this act, mothers eligible to receive coverage under this section shall receive medical assistance benefits during the pregnancy and during the twelve-month period that begins on the last day of the woman's pregnancy and ends on the last day of the month in which such twelve-month period ends, consistent with the provisions of 42 U.S.C. Section 1397gg(e)(1)(J). The department shall seek any necessary state plan amendments or waivers to implement the provisions of this subdivision when the number of ineligible MO HealthNet participants removed from the program in 2023 pursuant to section 208.239 exceeds the projected number of beneficiaries likely to enroll in benefits in 2023 under this subdivision and subdivision (28) of subsection 1 of section 208.151, as determined by the department, by at least one hundred individuals.

(b) The provisions of this subdivision shall remain in effect for any period of time during which the federal authority under 42 U.S.C. Section 1397gg(e)(1)(J), as amended, or any successor statutes or implementing regulations, is in effect.

7. The department shall provide coverage for an unborn child enrolled in the show-me healthy babies program in the same manner in which the department provides coverage for the children's health insurance program (CHIP) in the county of the primary residence of the mother.

8. The department shall provide information about the show-me healthy babies program to maternity homes as defined in section 135.600, pregnancy resource centers as defined in section 135.630, and other similar agencies and programs in the state that assist unborn children and their mothers. The department shall consider allowing such agencies and programs to assist in the enrollment of unborn children in the program, and in making determinations about presumptive eligibility and verification of the pregnancy.

9. Within sixty days after August 28, 2014, the department shall submit a state plan amendment or seek any necessary waivers from the federal Department of Health and Human Services requesting approval for the show-me healthy babies program.

10. At least annually, the department shall prepare and submit a report to the governor, the speaker of the house of representatives, and the president pro tempore of the senate analyzing and projecting the cost savings and benefits, if any, to the state, counties, local communities, school districts, law enforcement agencies, correctional centers, health care providers, employers, other public and private entities, and persons by enrolling unborn children in the show-me healthy babies program. The analysis and projection of cost savings and benefits, if any, may include but need not be limited to:

(1) The higher federal matching rate for having an unborn child enrolled in the show-me healthy babies program versus the lower federal matching rate for a pregnant woman being enrolled in MO HealthNet or other federal programs;

(2) The efficacy in providing services to unborn children through managed care organizations, group or individual health insurance providers or premium assistance, or through other nontraditional arrangements of providing health care;

(3) The change in the proportion of unborn children who receive care in the first trimester of pregnancy due to a lack of waiting periods, by allowing presumptive eligibility, or by removal of other barriers, and any resulting or projected decrease in health problems and other problems for unborn children and women throughout pregnancy; at labor, delivery, and birth; and during infancy and childhood;

(4) The change in healthy behaviors by pregnant women, such as the cessation of the use of tobacco, alcohol, illicit drugs, or other harmful practices, and any resulting or projected short-term and long-term decrease in birth defects; poor motor skills; vision, speech, and hearing problems; breathing and respiratory problems; feeding and digestive problems; and other physical, mental, educational, and behavioral problems; and

(5) The change in infant and maternal mortality, preterm births and low birth weight babies and any resulting or projected decrease in short-term and long-term medical and other interventions.

11. The show-me healthy babies program shall not be deemed an entitlement program, but instead shall be subject to a federal allotment or other federal appropriations and matching state appropriations.

12. Nothing in this section shall be construed as obligating the state to continue the show-me healthy babies program if the allotment or payments from the federal government end or are not sufficient for the program to operate, or if the general assembly does not appropriate funds for the program.

13. Nothing in this section shall be construed as expanding MO HealthNet or fulfilling a mandate imposed by the federal government on the state.

209.700. 1. This section shall be known and may be cited as the "Missouri Employment First Act".

2. As used in this section, unless the context clearly requires otherwise, the following terms mean:

(1) Implement an employment first policy by considering competitive integrated employment as the first and preferred outcome when planning or providing services or supports to persons with disabilities who are of working age;

(2) Offer information on competitive integrated employment to all working-age persons with disabilities. The information offered shall include an explanation of the relationship between a person's earned income and his or her public benefits, information on Achieving a Better Life Experience (ABLE) accounts, and information on accessing assistive technology;

(3) Ensure that persons with disabilities receive the opportunity to understand and explore education and training as pathways to employment, including postsecondary, graduate, and postgraduate education; vocational and technical training; and other training. (9) At least once each year, discuss basic information about competitive integrated employment with the parents or guardians of a youth with a disability. If the youth with a disability has been emancipated, state agencies shall discuss this information with the youth with a disability. The information offered shall include an explanation of the relationship between a person's earned income and his or her public benefits, information about ABLE accounts, and information about accessing assistive technology.

5. Nothing in this section shall require a state agency to perform any action that would interfere with the state agency's ability to fulfill duties and requirements mandated by federal law.

6. Nothing in this section shall be construed to limit or disallow any disability benefits to which a person with a disability who is unable to engage in competitive integrated employment would otherwise be entitled.

7. Nothing in this section shall be construed to eliminate any supported employment services or sheltered workshop settings as options.

8. (1) Nothing in this section shall be construed to require any state agency or other employer to give a preference in hiring to persons with disabilities or to prohibit any employment relationship or program that is otherwise permitted under applicable law.

(2) Any person who is employed by a state agency shall meet the minimum qualifications and requirements for the position in which the person is employed.

9. All state agencies that provide employment-related services or that provide services or support to persons with disabilities shall coordinate efforts and collaborate within and among each other to ensure that state programs, policies, and procedures support competitive integrated employment for persons with disabilities who are of working age. All such state agencies, when feasible, shall share data and information across systems in order to track progress toward full implementation of this section. All such state agencies are encouraged to adopt measurable goals and objectives to promote assessment of progress in implementing this section.

10. State agencies may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void."; and
