

JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

FIFTIETH DAY, THURSDAY, APRIL 6, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

“Let us draw near with a true heart in full assurance of faith.” (Hebrews 10:22)

O God of ancient days, who is pouring Your spirit into the hearts of people seeking to bring justice and peace to our world, may we, with open minds and receptive hearts, receive Your spirit and, with You, strive to make understanding of each other a reality in our day.

Give us grace to take to heart the dangers involved in our unhappy divisions and our unhallowed differences. Remove from us all that hurts our unity of spirit and all that hinders our forward march together. Rekindle in us the fire of Your redeeming love, strengthen us by Your power and draw us closer to one another.

To You and to our state, we consecrate the work to this day in the People’s House.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-ninth day was approved as printed.

(20) Engaging in the practice of animal chiropractic without a patient referral from a licensed veterinarian with a current veterinarian-client-patient relationship;

(21) Being unable to practice as a chiropractic physician with reasonable skill and safety to patients because of one of the following: professional incompetency; illness, drunkenness, or excessive use of drugs, narcotics, or chemicals; any mental or physical condition. In enforcing this subdivision the board shall, after a hearing before the board, upon a finding of probable cause, require the chiropractor for the purpose of establishing his competency to practice as a chiropractic physician to submit to a reexamination, which shall be conducted in accordance with rules adopted for this purpose by the board, including rules to allow the examination of the chiropractic physician's professional competence by at least three chiropractic physicians, or to submit to a mental or physical examination or combination thereof by at least three physicians. One examiner shall be selected by the chiropractic physician compelled to take the examination, one selected by the board, and one shall be selected by the two examiners so selected. Notice of the physical or mental examination shall be given by personal service or certified mail. Failure of the chiropractic physician to submit to an examination when directed shall constitute an admission of the allegations against him, unless the failure was due to circumstances beyond his control. A chiropractic physician whose right to practice has been affected under this subdivision shall, at reasonable intervals, be afforded an opportunity to demonstrate that he can resume competent practice with reasonable skill and safety to patients.

(a) In any proceeding under this subdivision, neither the record of proceedings nor the orders entered by the board shall be used against a chiropractic physician in any other proceeding. Proceedings under this subdivision shall be conducted by the board without the filing of a complaint with the administrative hearing commission;

(b) When the board finds any person unqualified because of any of the grounds set forth in this subdivision, it may enter an order imposing one or more of the following: denying his application for a license; permanently withholding issuance of a license; administering a public or private reprimand; suspending or limiting or restricting his license to practice as a chiropractic physician for a period of not more than five years; revoking his license to practice as a chiropractic physician; requiring him to submit to the care, counseling or treatment of physicians designated by the chiropractic physician compelled to be treated. For the purpose of this subdivision, "license" includes the certificate of registration, or license, or both, issued by the board.

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 2 of this section, for disciplinary action are met, the board may, singly or in combination:

(1) Censure or place the person named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years; or

- (2) May suspend the license, certificate or permit for a period not to exceed three years; or
- (3) Revoke the license, certificate or permit.

4. If at any time after disciplinary sanctions have been imposed under this section or under any provision of this chapter, the licensee removes himself from the state of Missouri, ceases to be currently licensed under the provisions of this chapter, or fails to keep the Missouri state board of chiropractic examiners advised of his current place of business and residence, the time of his absence, or unlicensed status, or unknown whereabouts shall not be deemed or taken as any part of the time of discipline so imposed."; and
