

# JOURNAL OF THE HOUSE

First Regular Session, 102nd GENERAL ASSEMBLY

SIXTY-SEVENTH DAY, FRIDAY, MAY 5, 2023

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Holly Jones.

Most Heavenly Father God, we ask that You descend an angel army to protect these chambers from evil and those that seek to destroy them. We ask that Your mighty hand deliver unto us guidance and that the Holy Spirit fill us all with the conviction to do work that only gratifies and exalts You. We thank You for blessing us with another day to come together in Your name with love and gratitude in our hearts and we ask that You remind us of the bold promises we made to You and the people of Missouri to do work that betters the lives of those that live here. When we stray, Lord, guide us back with conviction in hearts and forgiveness for those we feel wronged by. Help us to see the goodness in each other and to love one another as You have commanded. We thank You for blessing us with so much more than we deserve.

And the House says, Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-sixth day was approved as printed.

**"161.243. 1. As used in this section, the following terms mean:**

**(1) "Early childhood education services", programming or services intended to effect positive developmental changes in children prior to their entry into kindergarten;**

**(2) "Private entity", an entity that meets the definition of a licensed child care provider as defined in section 210.201, license exempt as defined in section 210.211, or that is unlicensed but is contracted with the department of elementary and secondary education.**

**2. Subject to appropriation, the department of elementary and secondary education shall provide grants directly to private entities for the provision of early childhood education services. The standards prescribed in section 161.213 shall be applicable to all private entities that receive these grant funds.**

161.670. 1. Notwithstanding any other law, prior to July 1, 2007, the state board of education shall establish the "Missouri Course Access and Virtual School Program" to serve school-age students residing in the state. The Missouri course access and virtual school program shall offer nonclassroom-based instruction in a virtual setting using technology, intranet, or internet methods of communication. Any student under the age of twenty-one in grades kindergarten through twelve who resides in this state shall be eligible to enroll in the Missouri course access and virtual school program pursuant to subsection 3 of this section.

2. (1) For purposes of calculation and distribution of state school aid, students enrolled in the Missouri course access and virtual school program shall be included in the student enrollment of the school district in which the student is enrolled under **the relevant provisions of subsection 3 of this section**~~;~~ ~~provided that any such~~ **for such enrollment.** Student attendance for full-time virtual program students shall only be included in any district pupil attendance calculation under chapter 163 and any charter school pupil attendance calculation under section 160.415, using current-year pupil attendance for such full-time virtual program pupils~~;~~ ~~and further provided that~~. **The average daily attendance of a full-time virtual student who is engaged in required instructional activities under subsection 4 of this section shall be calculated as if the pupil's attendance percentage equaled the host district's or charter school's prior-year average attendance percentage, and the provisions of section 162.1250 shall not apply to such funding calculation.** In the case of a host school district enrolling one or more full-time virtual school students, such enrolling district shall, **as part of its monthly state allocation,** receive no less under the state aid calculation for such students than an amount equal to the state adequacy target multiplied by the weighted average daily attendance of such full-time students. Students residing in Missouri and enrolled in a full-time virtual school program operated by a public institution of higher education in this state shall be counted for a state aid calculation by the department, and the department shall pay, from funds dedicated to state school aid payments made under section 163.031, to such institution an amount equal to the state adequacy target multiplied by the weighted average daily attendance of such full-time students.

(2) The Missouri course access and virtual school program shall report to the district of residence the following information about each student served by the Missouri course access and virtual school program: name, address, eligibility for free or reduced-price lunch, limited English proficiency status, special education needs, and the number of courses in which the student is enrolled. The Missouri course access and virtual school program shall promptly notify the resident district when a student discontinues enrollment. A "full-time equivalent student" is a student who is enrolled in the instructional equivalent of six credits per regular term. Each Missouri course access and virtual school program course shall count as one class and shall generate that portion of a full-time equivalent that a comparable course offered by the school district would generate.

(3) Pursuant to an education services plan and collaborative agreement under subsection 3 of this section, full-time equivalent students may be allowed to use a physical location of the resident school district for all or some portion of ongoing instructional activity, and the enrollment plan shall provide for reimbursement of costs of the resident district for providing such access pursuant to rules promulgated under this section by the department.

(4) In no case shall more than the full-time equivalency of a regular term of attendance for a single student be used to claim state aid. Full-time equivalent student credit completed shall be reported to the department of elementary and secondary education in the manner prescribed by the department. Nothing in this section shall prohibit students from enrolling in additional courses under a separate agreement that includes terms for paying tuition or course fees.

(5) A full-time virtual school program serving full-time equivalent students shall be considered an attendance center in the host school district and shall participate in the statewide assessment system as defined in section 160.518. The academic performance of students enrolled in a full-time virtual school program shall be assigned to the designated attendance center of the full-time virtual school program and shall be considered in like manner to other attendance centers. The academic performance of any student who disenrolls from a full-time virtual school program and enrolls in a public school or charter school shall not be used in determining the annual performance report score of the attendance center or school district in which the student enrolls for twelve months from the date of enrollment.

(6) For the purposes of this section, a public institution of higher education operating a full-time virtual school program shall be subject to all requirements applicable to a host school district with respect to its full-time equivalent students.

3. (1) A student who resides in this state may enroll in Missouri course access and virtual school program courses of his or her choice as a part of the student's annual course load each school year, with any costs associated with such course or courses to be paid by the school district or charter school if:

(a) The student is enrolled full-time in a public school, including any charter school; and

(b) Prior to enrolling in any Missouri course access and virtual school program course, a student has received approval from his or her school district or charter school through the procedure described under subdivision (2) of this subsection.

(2) Each school district or charter school shall adopt a policy that delineates the process by which a student may enroll in courses provided by the Missouri course access and virtual school program that is substantially similar to the typical process by which a district student would enroll in courses offered by the school district and a charter school student would enroll in courses offered by the charter school. The policy may include consultation with the school's counselor and may include parental notification or authorization. The policy shall ensure that available opportunities for in-person instruction are considered prior to moving a student to virtual courses. The policy shall allow for continuous enrollment throughout the school year. If the school district or charter school disapproves a student's request to enroll in a course or courses provided by the Missouri course access and virtual school program, the reason shall be provided in writing and it shall be for good cause. Good cause justification to disapprove a student's request for enrollment in a course shall be a determination that doing so is not in the best educational interest of the student, and shall be consistent with the determination that would be made for such course request under the process by which a district student would enroll in a similar course offered by the school district and a charter school student would enroll in a similar course offered by the charter school, except that the determination may consider the suitability of virtual courses for the student based on prior participation in virtual courses by the student. Appeals of any course denials under this subsection shall be considered under a policy that is substantially similar to the typical process by which appeals would be considered for a student seeking to enroll in courses offered by the school district and a charter school student seeking to enroll in courses offered by the charter school.

(3) For students enrolled in any Missouri course access and virtual school program course in which costs associated with such course are to be paid by the school district or charter school as described under this subdivision, the school district or charter school shall pay the content provider directly on a pro rata monthly basis based on a student's completion of assignments and assessments. If a student discontinues enrollment, the district or charter school may stop making monthly payments to the content provider. No school district or charter school shall pay, for any one course for a student, more than the market necessary costs but in no case shall pay more than fourteen percent of the state adequacy target, as defined under section 163.011, as calculated at the end of the most recent school year for any single, year-long course and no more than seven percent of the state adequacy target as described above for any single semester equivalent course.

(4) ~~[For students enrolling in a full-time virtual program, the department of elementary and secondary education shall adopt a policy that delineates the process by which]~~ (a) A student who lives in this state may enroll in a virtual program of their choice as provided in this subdivision, **and the provisions of subdivisions 1 to 3 of this subsection shall not apply to such enrollment in a full-time virtual program.** Each host school district operating a full-time virtual program under this section shall **adopt**, operate and implement ~~[the state]~~ **an enrollment policy** ~~[, subject to]~~ **as specified by** the provisions of this subdivision. ~~[The policy shall:~~

~~(a) Require the good faith collaboration of]~~ The student, the student's parent or guardian if the student is not considered homeless, the virtual program, the host district, and the resident district ~~[;]~~ **shall collaborate in good faith to implement the enrollment policy regarding the student's enrollment, and the resident school district and the host school district may mutually agree that the resident district shall offer or continue to offer services for the student under an agreement that includes financial terms for reimbursement by the host school district for the necessary costs of the resident school district providing such services. An enrollment policy specified under this subsection shall:**

~~(b)]~~ a. **Require a student's parent or guardian, if the student is not considered homeless, to apply for enrollment in a full time virtual program directly with the virtual program;**

**b.** Specify timelines for timely participation by the virtual program, the host district, and resident district; provided that the resident district shall provide any relevant information and input on the enrollment within ten business days of notice from the virtual program of the enrollment application;

~~(c)~~ **c.** Include a survey of the reasons for the student's and parent's interests in participating in the virtual program;

~~(d)~~ **d.** Include consideration of available opportunities for in-person instruction prior to enrolling a student in a virtual program;

This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.

12. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset December 31, 2029, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset six years after the effective date of the reauthorization of this section;

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and

(4) The provisions of this subsection shall not be construed to limit or in any way impair the department of revenue's ability to redeem tax credits authorized on or before the date the program authorized under this section expires, or a taxpayer's ability to redeem such tax credits.

135.1325. 1. This section shall be known and may be cited as the "Employer Provided Child Care Assistance Tax Credit Act".

2. For purposes of this section, the following terms shall mean:

(1) "Child care desert", a census tract that has a poverty rate of at least twenty percent or a median family income of less than eighty percent of the statewide average and where at least five hundred people or thirty-three percent of the population are located at least one-half mile away from a child care provider in urbanized areas or at least ten miles away in rural areas;

(2) "Child care facility", a child care facility as defined in section 210.201 that is licensed under section 210.221, or that is unlicensed and that is registered with the department of elementary and secondary education;

(3) "Department", the Missouri department of economic development;

(4) "Employer matching contribution", a contribution made by the taxpayer to a cafeteria plan, as that term is used in 26 U.S.C. Section 125, of an employee of the taxpayer, that matches a dollar amount or percentage of the employee's contribution to the cafeteria plan, but this term does not include the amount of any salary reduction or other compensation foregone by the employee in connection with the cafeteria plan;

(5) "Qualified child care expenditure", an amount paid of reasonable costs incurred that meet any of the following:

(a) To acquire, construct, rehabilitate, or expand property that will be, or is, used as part of a child care facility that is either operated by the taxpayer or contracted with by the taxpayer and which does not constitute part of the principal residence of the taxpayer or any employee of the taxpayer;

(b) For the operating costs of a child care facility of the taxpayer, including costs relating to the training of employees, scholarship programs, and for compensation to employees;

(c) Under a contract with a child care facility to provide child care services to employees of the taxpayer; or

(d) As an employer matching contribution, but only to the extent such employer matching contribution is restricted by the taxpayer solely for the taxpayer's employee to obtain child care services at a child care facility and is used for that purpose during the tax year;

(6) "Rural area", a town or community within the state that is not within a metropolitan statistical area and has a population of six thousand or fewer inhabitants as determined by the last preceding federal decennial census or any unincorporated area not within a metropolitan statistical area;

(7) "State tax liability", in the case of a business taxpayer, any liability incurred by such taxpayer under the provisions of chapter 143 and chapter 148, exclusive of the provisions relating to the withholding of tax as provided for in sections 143.191 to 143.265 and related provisions, and in the case of an individual taxpayer, any liability incurred by such taxpayer under the provisions of chapter 143;

(8) "Tax credit", a credit against the taxpayer's state tax liability;

(9) "Taxpayer", a corporation as defined in section 143.441 or 143.471, any charitable organization that is exempt from federal income tax and whose Missouri unrelated business taxable income, if any, would be subject to the state income tax imposed under chapter 143, or individuals or partnerships subject to the state income tax imposed by the provisions of chapter 143.

3. For all tax years beginning on or after January 1, 2023, a taxpayer may claim a tax credit authorized in this section in an amount equal to thirty percent of the qualified child care expenditures paid or incurred with respect to a child care facility. The maximum amount of any tax credit issued under this section shall not exceed two hundred thousand dollars per taxpayer per tax year.

4. A facility shall not be treated as a child care facility with respect to a taxpayer unless the following conditions have been met:

(1) Enrollment in the facility is open to employees of the taxpayer during the tax year; and

(2) If the facility is the principal business of the taxpayer, at least thirty percent of the enrollees of such facility are dependents of employees of the taxpayer.

5. The tax credits authorized by this section shall not be refundable or transferable. The tax credits shall not be sold, assigned, or otherwise conveyed. Any amount of approved tax credits that a taxpayer is prohibited by this subsection from using for the tax year in which the credit is first claimed may be carried back to the taxpayer's immediately prior tax year and carried forward to the taxpayer's subsequent tax year for up to five succeeding tax years.

6. Notwithstanding any provision of subsection 5 of this section to the contrary, a taxpayer that is exempt, under 26 U.S.C. Section 501(c)(3), and any amendments thereto, from all or part of the federal income tax shall be eligible for a refund of its tax credit issued under this section, without regard to whether it has incurred any state tax liability. Such exempt taxpayer may claim a refund of the tax credit on its tax return required to be filed under the provisions of chapter 143, exclusive of the return for the withholding of tax under sections 143.191 to 143.265. If such exempt taxpayer is not required to file a tax return under the provisions of chapter 143, the exempt taxpayer may claim a refund of the tax credit on a refund claim form prescribed by the department of revenue. The department of revenue shall prescribe such forms, instructions, and rules as it deems appropriate to carry out the provisions of this subsection.

7. (1) The cumulative amount of tax credits authorized under this section shall not exceed twenty million dollars for each calendar year. The department shall approve tax credit applications on a first-come, first-served basis until the cumulative tax credit authorization limit is reached for the calendar year.

(2) If the maximum amount of tax credits allowed in any calendar year as provided under subdivision (1) of this subsection is authorized, the maximum amount of tax credits allowed under subdivision (1) of this subsection shall be increased by fifteen percent, provided that all such increases in the allowable amount of tax credits shall be reserved for qualified child care expenditures for child care facilities located in a child care desert. The director of the department shall publish such adjusted amount.

8. A taxpayer who has claimed a tax credit under this section shall notify the department within sixty days of any cessation of operation, change in ownership, or agreement to assume recapture liability as such terms are defined by 26 U.S.C. Section 45F, in the form and manner prescribed by department rule or instruction. If there is a cessation of operation or change in ownership relating to a child care facility, the taxpayer shall repay the department the applicable recapture percentage of the credit allowed under this section, but this recapture amount shall be limited to the tax credit allowed under this section. The recapture amount shall be considered a tax liability arising on the tax payment due date for the tax year in which the cessation of operation, change in ownership, or agreement to assume recapture liability occurred and shall be assessed and collected under the same provisions that apply to a tax liability under chapter 143 or chapter 148.

9. The tax credit allowed under this section shall be considered a domestic and social tax credit under subdivision (5) of subsection 2 of section 135.800.

10. All action and communication undertaken or required under this section shall be exempt from section 105.1500.

11. The department may promulgate rules to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.

12. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset December 31, 2029, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset six years after the effective date of the reauthorization of this section;

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and

(4) The provisions of this subsection shall not be construed to limit or in any way impair the department of revenue's ability to redeem tax credits authorized on or before the date the program authorized under this section expires, or a taxpayer's ability to redeem such tax credits.

135.1350. 1. This section shall be known and may be cited as the "Child Care Providers Tax Credit Act".

2. For purposes of this section, the following terms shall mean:

(1) "Capital expenditures", expenses incurred by a child care provider, during the tax year for which a tax credit is claimed under this section, for the construction, renovation, or rehabilitation of a child care facility to the extent necessary to operate a child care facility and comply with applicable child care facility regulations promulgated by the department of elementary and secondary education;

(2) "Child care desert", a census tract that has a poverty rate of at least twenty percent or a median family income of less than eighty percent of the statewide average and where at least five hundred people or thirty-three percent of the population are located at least one-half mile away from a child care provider in urbanized areas or at least ten miles away in rural areas;

(3) "Child care facility", a child care facility as defined in section 210.201 that is licensed under section 210.221, or that is unlicensed and that is registered with the department of elementary and secondary education;

(4) "Child care provider", a child care provider as defined in section 210.201 that is licensed under section 210.221, or that is unlicensed and that is registered with the department of elementary and secondary education;

(5) "Department", the department of elementary and secondary education;

(6) "Eligible employer withholding tax", the total amount of tax that the child care provider was required, under section 143.191, to deduct and withhold from the wages it paid to employees during the tax year for which the child care provider is claiming a tax credit under this section, to the extent actually paid;

(7) "Employee", an employee, as that term is used in subsection 2 of section 143.191, of a child care provider who worked for the child care provider for an average of at least ten hours per week for at least a three-month period during the tax year for which a tax credit is claimed under this section and who is not an immediate family member of the child care provider;

(8) "Rural area", a town or community within the state that is not within a metropolitan statistical area and has a population of six thousand or fewer inhabitants as determined by the last preceding federal decennial census or any unincorporated area not within a metropolitan statistical area;

(9) "State tax liability", any liability incurred by the taxpayer under the provisions of chapter 143, exclusive of the provisions relating to the withholding of tax as provided for in sections 143.191 to 143.265 and related provisions;

(10) "Tax credit", a credit against the taxpayer's state tax liability;

(11) "Taxpayer", a corporation as defined in section 143.441 or 143.471, any charitable organization that is exempt from federal income tax and whose Missouri unrelated business taxable income, if any, would be subject to the state income tax imposed under chapter 143, or an individual or partnership subject to the state income tax imposed by the provisions of chapter 143.

3. For all tax years beginning on or after January 1, 2024, a child care provider with three or more employees may claim a tax credit authorized in this section in an amount equal to the child care provider's eligible employer withholding tax, and may also claim a tax credit in an amount up to thirty percent of the child care provider's capital expenditures. No tax credit for capital expenditures shall be allowed if the capital expenditures are less than one thousand dollars. The amount of any tax credit issued under this section shall not exceed two hundred thousand dollars per child care provider per tax year.

4. To claim a tax credit authorized under this section, a child care provider shall submit to the department, for preliminary approval, an application for the tax credit on a form provided by the department and at such times as the department may require. If the child care provider is applying for a tax credit for capital expenditures, the child care provider shall present proof acceptable to the department that the child care provider's capital expenditures satisfy the requirements of subdivision (1) of subsection 2 of this section. Upon final approval of an application, the department shall issue the child care provider a certificate of tax credit.

5. The tax credits authorized by this section shall not be refundable and shall not be transferred, sold, assigned, or otherwise conveyed. Any amount of credit that exceeds the child care provider's state tax liability for the tax year for which the tax credit is issued may be carried back to the child care provider's immediately prior tax year or carried forward to the child care provider's subsequent tax year for up to five succeeding tax years.

6. Notwithstanding any provision of subsection 5 of this section to the contrary, a child care provider that is exempt, under 26 U.S.C. Section 501(c)(3), and any amendments thereto, from all or part of the federal income tax shall be eligible for a refund of its tax credit issued under this section, without regard to whether it has incurred any state tax liability. Such exempt child care provider may claim a refund of the tax credit on its tax return required to be filed under the provisions of chapter 143, exclusive of the return for the withholding of tax under sections 143.191 to 143.265. If such exempt child care provider is not required to file a tax return under the provisions of chapter 143, the exempt child care provider may claim a refund of the tax credit on a refund claim form prescribed by the department of revenue. The department of revenue shall prescribe such forms, instructions, and rules as it deems appropriate to carry out the provisions of this subsection.

7. (1) The cumulative amount of tax credits authorized under this section shall not exceed twenty million dollars for each calendar year. The department shall approve tax credit applications on a first-come, first-served basis until the cumulative tax credit authorization limit is reached for the calendar year.

(2) If the maximum amount of tax credits allowed in any calendar year as provided under subdivision (1) of this subsection is authorized, the maximum amount of tax credits allowed under subdivision (1) of this subsection shall be increased by fifteen percent, provided that all such increases in the allowable amount of tax credits shall be reserved for child care providers located in a child care desert. The director of the department shall publish such adjusted amount.

8. The tax credit authorized by this section shall be considered a domestic and social tax credit under subdivision (5) of subsection 2 of section 135.800.

9. All action and communication undertaken or required with respect to this section shall be exempt from section 105.1500. Notwithstanding section 32.057 or any other tax confidentiality law to the contrary, the department of revenue may disclose tax information to the department for the purpose of the verification of a child care provider's eligible employer withholding tax under this section.

10. The department may promulgate rules and adopt statements of policy, procedures, forms, and guidelines to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.

11. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset December 31, 2029, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset six years after the effective date of the reauthorization of this section;

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and

(4) The provisions of this subsection shall not be construed to limit or in any way impair the department of revenue's ability to redeem tax credits authorized on or before the date the program authorized under this section expires, or a taxpayer's ability to redeem such tax credits.

*House Amendment No. 2

House Amendment No. 2*

AMEND House Amendment No. 2 to Senate Substitute for Senate Bill No. 199, Page 14, Line 2, by inserting after said line the following:

"167.181. 1. (1) The department of health and senior services, after consultation with the department of elementary and secondary education, shall promulgate rules and regulations governing the immunization against poliomyelitis, rubella, rubeola, mumps, tetanus, pertussis, diphtheria, and hepatitis B, to be required of children attending public, private, parochial or parish schools. Such rules and regulations may modify the immunizations that are required of children in this subsection. The immunizations required and the manner and frequency of their administration shall conform to recognized standards of medical practice. The department of health and senior services shall supervise and secure the enforcement of the required immunization program.

(2) **Neither the department of health and senior services nor any public school districts shall require any student to receive a COVID-19 vaccination or receive a dose of messenger ribonucleic acid.**

2. It is unlawful for any student to attend school unless he has been immunized as required under the rules and regulations of the department of health and senior services, and can provide satisfactory evidence of such immunization; except that if he produces satisfactory evidence of having begun the process of immunization, he may continue to attend school as long as the immunization process is being accomplished in the prescribed manner. It is unlawful for any parent or guardian to refuse or neglect to have his child immunized as required by this section, unless the child is properly exempted.

3. This section shall not apply to any child if one parent or guardian objects in writing to his school administrator against the immunization of the child, because of religious beliefs or medical contraindications. In cases where any such objection is for reasons of medical contraindications, a statement from a duly licensed physician must also be provided to the school administrator.

4. Each school superintendent, whether of a public, private, parochial or parish school, shall cause to be prepared a record showing the immunization status of every child enrolled in or attending a school under his jurisdiction. The name of any parent or guardian who neglects or refuses to permit a nonexempted child to be immunized against diseases as required by the rules and regulations promulgated pursuant to the provisions of this section shall be reported by the school superintendent to the department of health and senior services.

5. The immunization required may be done by any duly licensed physician or by someone under his direction. If the parent or guardian is unable to pay, the child shall be immunized at public expense by a physician or nurse at or from the county, district, city public health center or a school nurse or by a nurse or physician in the private office or clinic of the child's personal physician with the costs of immunization paid through the state Medicaid program, private insurance or in a manner to be determined by the department of health and senior

services subject to state and federal appropriations, and after consultation with the school superintendent and the advisory committee established in section 192.630. When a child receives his or her immunization, the treating physician may also administer the appropriate fluoride treatment to the child's teeth.

6. Funds for the administration of this section and for the purchase of vaccines for children of families unable to afford them shall be appropriated to the department of health and senior services from general revenue or from federal funds if available.

7. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
