

HB 38 -- EMPLOYEE FIREARM VEHICLE STORAGE

SPONSOR: Billington

This bill prohibits an employer from terminating an employee for having a firearm in their vehicle when arriving to or leaving from the employer's property for employment purposes or when the employee is acting within the scope of their employment, provided the employee is not prohibited from possessing a firearm by law. The employer is not civilly liable for injuries or damages resulting from the use of the firearm.

This bill is similar to HB 1453 (2022).
