

HB 65 -- UNACCREDITED SCHOOL DISTRICTS

SPONSOR: Terry

This bill clarifies language for school districts that are classified as unaccredited. Currently for districts that are unaccredited and under the operation of a special administrative board, when the district achieves a provisionally accredited level for two consecutive years the State Board of Education (SBE) may provide for a transition. This bill requires that the SBE shall provide for a transition.

This bill is similar to HB 2125 (2022).
