

HB 1010 -- CHILDREN'S PERSONALLY IDENTIFIABLE INFORMATION  
(Christofanelli)

COMMITTEE OF ORIGIN: Standing Committee on Children and Families

This bill prohibits the disclosure of any personally identifiable information regarding any child receiving child care from a provider or applying for or receiving any services through a state program.

The bill does not prohibit any state agency from disclosing personally identifiable information to governmental entities or its agents, vendors, and contractors relating to its official duties, nor does it prevent a parent or legal guardian from accessing their child's records.
