

HJR 5 -- PROPERTY TAX

SPONSOR: Terry

Upon voter approval, beginning January 1, 2023, this proposed Constitutional amendment would provide that property owned by an individual who is 65 years of age or older or an individual who is permanently disabled, and who has a Missouri taxable income of \$50,000 or less, or \$75,000 or less if such taxpayer is married and filing jointly, would be assessed at 50% of the value at which such property would otherwise be assessed.

This resolution is the same as HJR 90 (2022).
