

HJR 12 -- ALLOCATION OF GAMING ACTIVITIES REVENUES

SPONSOR: Griffith

Upon voter approval, this proposed Constitutional amendment changes the allocation of state revenues derived from the conduct of all gaming activities from solely for the public institutions of elementary, secondary, and higher education to now be evenly appropriated for the public institutions of elementary, secondary, and higher education as well as the administration of the Missouri Veterans Commission. This allocation of appropriation shall take effect July 1, 2025.

This resolution is similar to HJR 87 (2022).
