We support the intent of the bill and the House Committee Substitute language that allows the same fees to apply to minerals that have equivalent chemical composition, upon approval by the Labor and Industrial Relations Commission. Any new minerals that are not equivalent to existing minerals would require statutory amendment.

**I am Opposed to this Bill. We Do NOT Need Mining Fees in Missouri. G=State Government has their finger and Business or every thing that Missourians do. Enough is Enough. Defeat this greedy Bill. Mining Inspection Fees are already timely paid to the Missouri Department of Revenue and if not their are Penalties, Interest and Late Fees. We do NOT NEED to Nickle and Dime every Missourian Business or Industry!**
