I am opposed to this bill making Missouri a two-party state for recording conversations. On February 7, 2023, Ike Crabtree, a Jefferson County municipal prosecutor, was sentenced to 18 months in prison for using his position to extort sexual favors from a female defendant and lying to the FBI about it. The victim was able to record part of the conversation on her phone. Under this bill, not only would this have been inadmissible, it would have been illegal.
