I am Opposed to this Bill. The Public Service Commission overspends Money and has little to no concern for State Taxpayer Funding. There NEEDS to be a State-Audit of the Commission and their Expense habits. Defeat this Bill in its tracks. The Commissioners act like Country-Club Folk with Entitlement!

Associated Industries of Missouri opposes this proposed tax increase disguised as an assessment on utility companies. The assessments flow through the utility companies to utility consumers through rates. This bill represents an increase in the maximum assessment/tax that may be levied by the Public Service Commission and used for their operations of between \$1.7m and \$2m in 2024 and increasing after that by approximately \$500,000 per year until the maximum is reached. We object to this hidden tax increase on utility consumers.
