Funny how I had to read through 8 obviously discriminatory proposed bills blocking LGBTQ+ rights to support a relatively common sense proposed bill. Sneaky government tactics is on full display. Sure governor workers, get paid biweekly, but please don't discriminate against those that identify as LGBTQ+.

Allowing the state to pay employees bi weekly will allow families to budget their income more easily. As a former paid monthly employee I can honestly say by the end of the month things were stressful financially. Paying our employees bi weekly that serve us daily is just a show of appreciation in my personal opinion.

Please leave our LGBTQ+ kids and families alone. This isn't on your Republican Governor's list of priorities. This is nothing more than an ALEC copy and paste mandate that has nothing to do with improving the quality of life for Missourians. Talk about how you're going to manage our once-in-a-lifetime budget surplus and stop attempting to legislate a problem that doesn't exist.

THE INFORMATION ON THIS FORM IS PUBLIC RECORD UNDER CHAPTER 610, RSMo.

I am the mother of a transgender child. His name is Chase. He always entertains us with his dry sense of humor. He is a straight A student. He is a member of future farmers of America (FFA) and even raised the cow that is currently feeding our family. He is building and painting sets for the high school play. He loves animals and calms every dog, cat, and mule he's ever pet. He cares for his siblings dearly and makes them homemade gifts on holidays. He loves being outdoors and is at ease kayaking our local rivers. As Chase would tell you himself, being transgender is the least interesting thing about him. He is so many other things. Its not a topic of conversation among his friends it school. It doesn't matter and his peers don't care. He's just Chase. A teenager in high school trying to become a happy and successful adult like everyone else. These bills attacking LBGTQIA+ youth in Missouri are inhumane, morally wrong, and full of misinformation. Offering "affirmation care," does not mean sex change. There are about a million steps in between a trans person coming out and surgery. And I can assure you, that we are not "coercing" our children into surgery. What we are doing is listening to them, finding counselors, psychiatrists, support groups, and anything else we can to support our children. These are all examples of affirmation care. With so many major issues impacting our state (poverty, education, crime, infrastructure), why is there so much attention/attacking on a group that is less than 1% of the population? If we are so concerned about our youth, why do we rank so low in child poverty and education? I encourage you to protect your child by any means you believe are right for them. I encourage you to protect my child with your vote. "This is a political mission that doesn't actually protect youth, but further defends the fears and phobias of some adults," Justice Horn

I am writing in serious opposition to the following bills: HB183, HB337, HB419, HB463, HB540, HB494, HB498. As a parent, it is upsetting to me that my friends whose children don't identify as binary or cisgender, would be targeted in such a way. It is firmly understood in the scientific and medical community that these people exist. They exist, and they identify themselves when they are CHILDREN. The only way to keep them safe from self-harm is to affirm their identities. The only way to keep them safe from harm from others is to build tolerance and allow them to be seen and understood. By attacking these children's capacity to participate in extra-curricular activities and to seek medical treatment (which is again, well documented as life-SAVING treatment), you are in a very real sense, erasing them. I beg you to do some actual research into transgender and non-binary children and adults. Please, look at the vast evidence we have at our disposal of how to keep ALL children safe and properly cared for. As a legislator, I think it's important to always consider the following about proposed laws: Who does this help? Who does this harm? These bills do nothing to help your constituents. All they do is harm. Thank you, Gina LaRose

HB 131 Please refer to my other letters. The fact that any of the legislators get paid at all is absolutely outrageous. It is only just that, due to the damage the legislature as a whole has done to the state, they be fined rather than paid. The fine should be in the amount of their current salary, can be paid in installments, and will be equivalent to any salary they have "earned" while in the Missouri State Legislature. Anyone who is in the chamber and is fiscally conservative should love this idea. If the situation changes and the legislature does stop harming the State, then the fine can turn back into a salary. We live in the Show Me State. Show us results. Thanks, Jason Gober

For the love of God! Quit creating issues where there are none. Quit pandering to the uneducated rubes & your political base. DO SOMETHING USEFUL & work to solve actual problems. What has happened to the legislators in MO? These bills are contrary to national and state values and plain common sense. The GOP claims to be Christian! Why are MO legislators so threatened by people unlike themselves? LBGTQ are not a threat to anyone, any more than heterosexuals are. Why not deal with ACTUAL issues - high maternal fetal morbidity and mortality rates? Poverty? Hunger? Homelessness? Mental health crises? ACT and think like the Christians you claim to be. Sponsoring bills such as these is shameful and wasteful spending of our tax dollars. Do good things instead of forcing your personal or political beliefs on others. THESE are not political issues. These are not problems that require a political intervention. DO work on REAL problems affecting MO residents, especially our vulnerable ones.

Why does this bill even exist? The bill's language does not explain concerns or reasoning behind the restructuring of employee pay. Due to the general nature of bills that individuals are often accustomed to, e.g. rent, utilities, insurance, etc. that these types of bills come once per month, it would be best for employees to receive their full pay and benefits monthly to exercise responsible and autonomous control over their own lives and finances. Again, as with all of the other bills presented this day, 1/24/2023, this bill represents an unnecessary government overreach.
