I strongly urge you to support House Bills 133 and 583, as they will provide critical support for Missouri's entertainment industry, most notably the Branson area. These bills will provide a major boost for the state's economy, creating jobs, investment opportunities, and new revenue streams. In addition, these bills will help support local businesses, which are vital to the success of our state. Please consider the many benefits of passing these bills and support their passage.
