1. Intro1.1. Live in Columbia1.2. I support this bill because it affects me personally1.3. Drive Diverging Diamond at I-70 and Stadium Blvd. every night – two one-way streets2. Why Left on Red2.1. Less travel delay2.2. Save fuel, less pollution idling vehicles2.3. 42 other states already allow left on red2.4. Every state that borders Missouri2.5. City of Kansas City, Missouri allows 3. Safety3.1. Yield at diverging diamonds3.2. Reduce que length that backs up onto I-704. State of Utah safety experience with left on red at Diverging Diamond Interchanges4.1. 10 intersections (2 at each DDI)4.2. Of the ten ramps 6 are double left, 1 triple left, and 3 single left. [All have traffic signals, we have yield signs at single lefts at DDIs.]4.3. Approximately 29 years of cumulative data 4.4. 6 crashes related to left on red4.5. All were low-severity crashes - low speed due to roadway curvature4.6. “Overall I think this safety record is very good” – Utah DOT Engineer4.7. “the evidence suggests that the better sign (or having no sign at all) goes a long way to prevent crashes caused by confusion with the maneuver”5. Summary5.1. Missouri drivers should have the same freedoms drivers have in 42 other states5.2. Freedoms drivers have in Kansas City, Missouri6. Happy to answer any questions

This is legislation that is not controversial. I support Representative Brown's bill and hope the majority party will allow this to move through the process.
