The Missouri Independent Bankers Association supports HB 725. This bill addresses an issue that has popped up in other states. We hope the specificity of the penalties in this bill will prevent the proliferation of ATM smash and grabs in Missouri or lay very least give our members a better avenue of recourse if an event like this were to occur.

I am in Full Support of this Bill. We Need to make these Crimes Stiffer and send the message that this will NOT be tolerated any longer. We have brazen individuals who are ramming glass doors to businesses, tying chains to A.T.M.s and ripping them out of the building, causing 10's of thousands of dollars in damages.

This bill is important to help address another facet associated with our rising crime rates. Businesses are experiencing more crimes on premises with costly impacts, including teller machine thefts and vandalism. We appreciate that this bill will help deter these types of crimes that create significant financial loss and property damage and subsequently increases costs for businesses. We are in support of this bill and are appreciative for Rep. Francis for introducing it this legislative session.
