I am Opposed to this Legislation. I do not believe that a Resident who does NOT commit a Crime, that the Government has the right to intrude and collect Finger Prints. I know Former Police Chief Roberts that you want to collect every Missourians D.N.A., Mouth and Nasal swabs and Finger Prints, because it is your goal to Control, know all Personal Information and Data on our Six Million Missourians. When will Government Back-Off on intruding on our Personal Rights and the Basic Human-Right of Personal Privacy?

Uh, haven't you folks noticed? Marijuana is legal now in Missouri. It's legal to grow it, legal to sell it, legal to buy it, and legal to consume it, within some reasonable limits. Why should people in the marijuana industry be arbitrarily singled out for suspicion, any more than people who sell tee shirts, tacos, tires, or toothbrushes? Gee, it's almost like they're still criminals or something.
