We support this bill as it will increase transparency in local elections. Currently, many of these races are not disclosed or they are listed on an obscure portion of the school district site. Requiring the SOS to list all school board elections gives taxpayers a centralized location to be informed if their district will be having an election.

I believe a list of school board members should be compiled and given to the Secretary of State to be posted and made public.

Thank you Rep Christfanelli for bringing forth this legislation. While it's a short and simple bill it is a very important bill. A recent report from the Heritage Foundation ranked Missouri dead last in terms of academic transparency. That is not a statistic that as a Missourian I am proud of. Some alarming things came out of the pandemic. It highlighted the need for more options and transparency in education. Parents need as much readily accessible information as possible in order to determine what school or school district best fits a family's needs. And it's not just important for parents – tax payers, voters, all constituents deserve the transparency of what is happening in our schools. The quality of our schools plays a role in our property values. Having a comprehensive list of school board members from all districts will allow families, as well as taxpayers, to hold school board members accountable. Thank you.

1. This bill should include CHARTER SCHOOLS Boards of Directors. CHARTER SCHOOLS ARE PUBLIC SCHOOLS AND GET PUBLIC FUNDING. 2. This bill should require CURRENT Board members' names (some charter schools do not have up to date lists on their websites) Thank you
