I see good and bad in this Bill. Overall, I do believe that there **NEEDS** to be Oversight and Questioning on what is right and what is wrong for Missouri. At the same time, we **NEED** to have faith, truth and accountability in our Professional Staff and State Department Heads. This also is tied to Fiscal considerations and the State's Annual Budget

The Sierra Club opposes the bill out of concern that it may prevent the timely implementation of environmental protections and the possible loss of federal funds, as noted in the fiscal note.
